

Artha is dedicated to reviving the handcrafted Athangudi tiles which portray an incredible and classic expression of the legacy with modern and ethnic style.

Wellbeing - Handcrafted

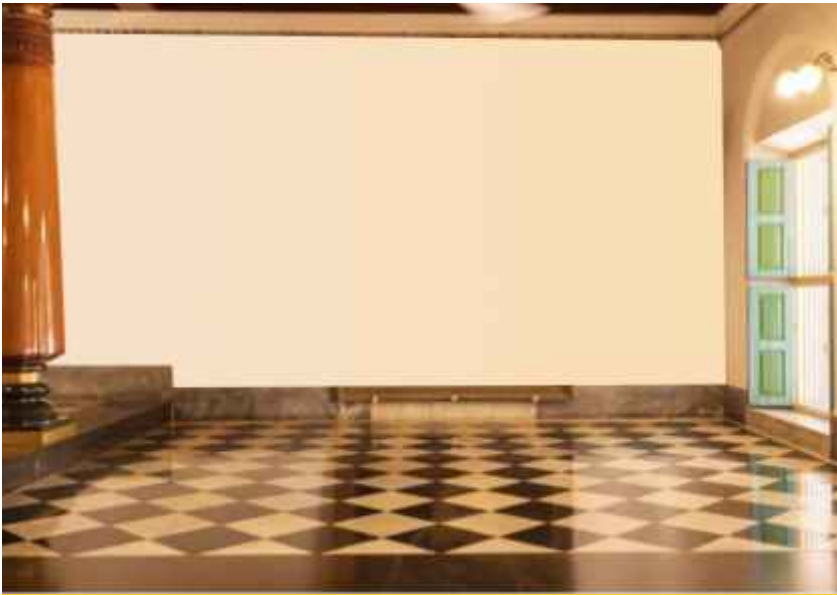

Tiles Manufacturer and Retailer

“Artha” Athangudi Designer Tiles

A palette of serenity, beauty & simplicity

Artha tiles are a blend of the east and the west. We hope to thrill our customers with great design and value proposition driven by continuous improvements in design creativity, innovation, efficiency & customer service.

150+ Year Old Traditional Heritage

These ethnic tiles have been used in the Chettinad region for more than **150** years and the craft has been passed on through generations.

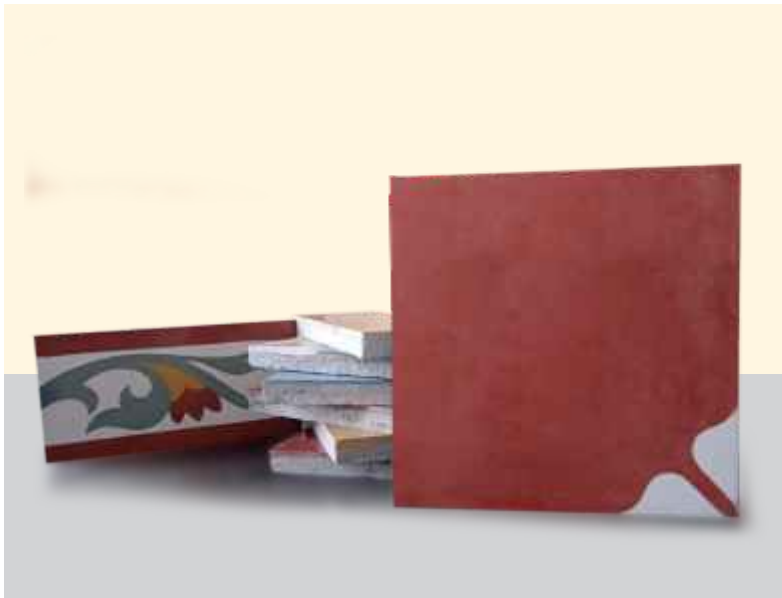

100% Handcrafted

This handcraft provides livelihood to many artisans involved in tile making.

Beauty & Serenity Personified

Artha aesthetic tiles provide a traditional decor which is Highly Customizable.

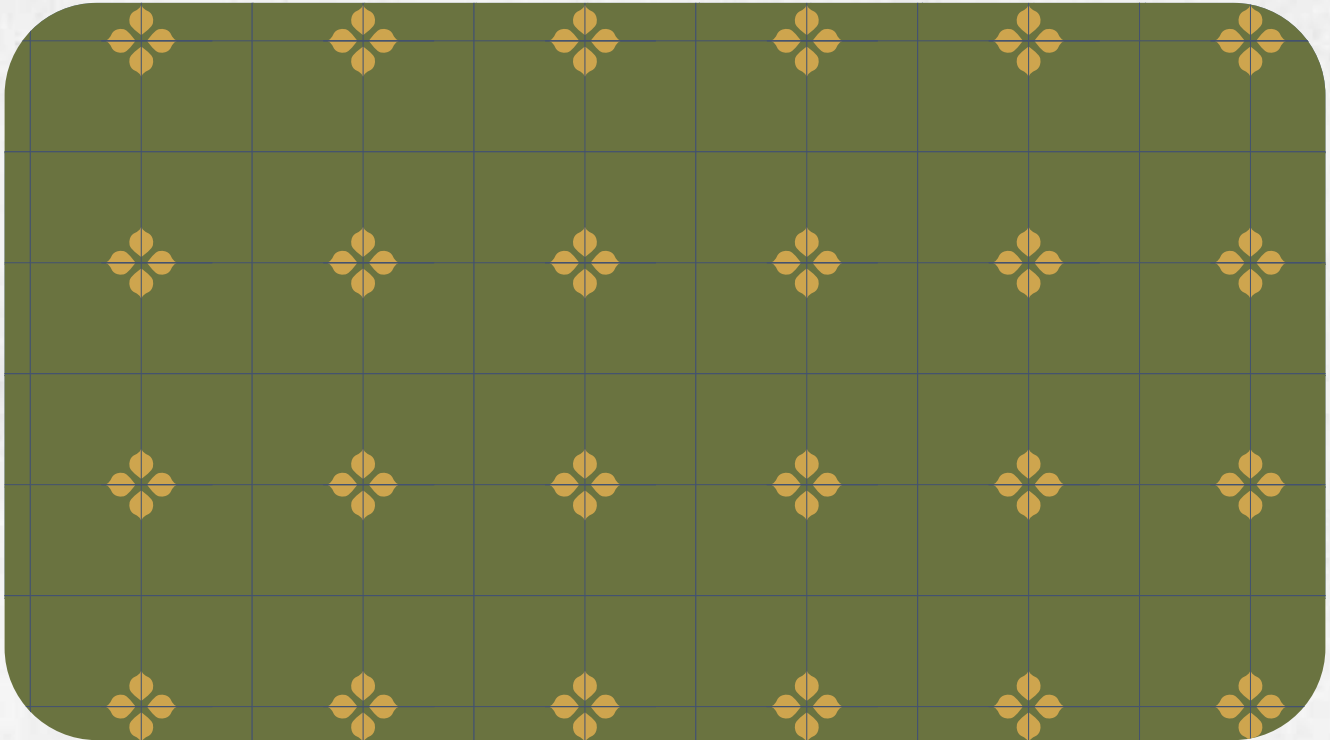

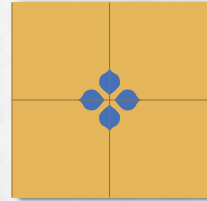

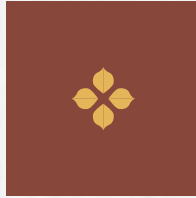

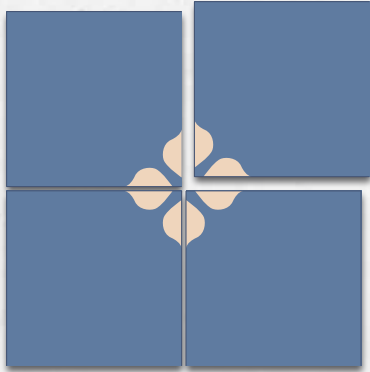

Durable & Eco-friendly

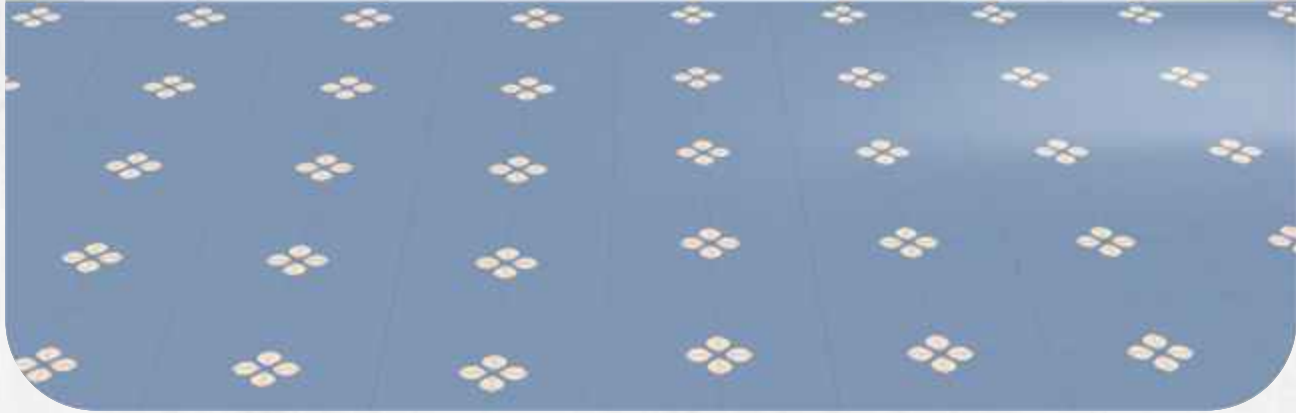

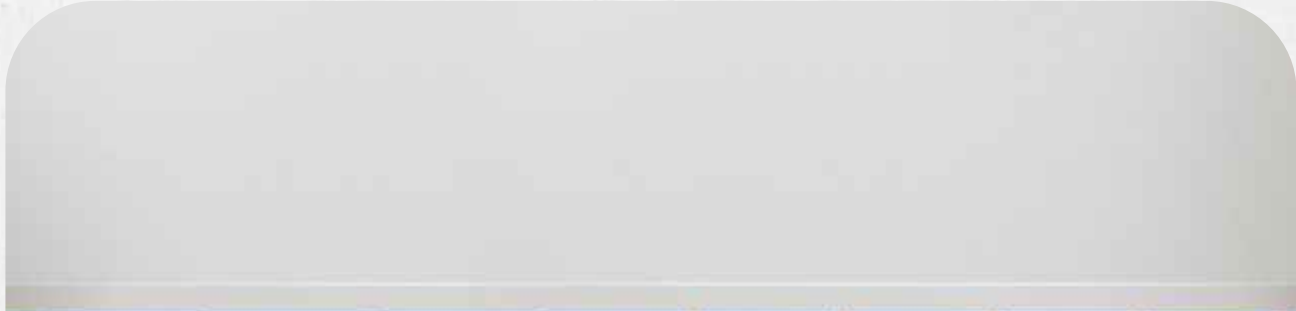

Artha is a low maintenance tile.
Shines More With Time & Use,
and promotes green living

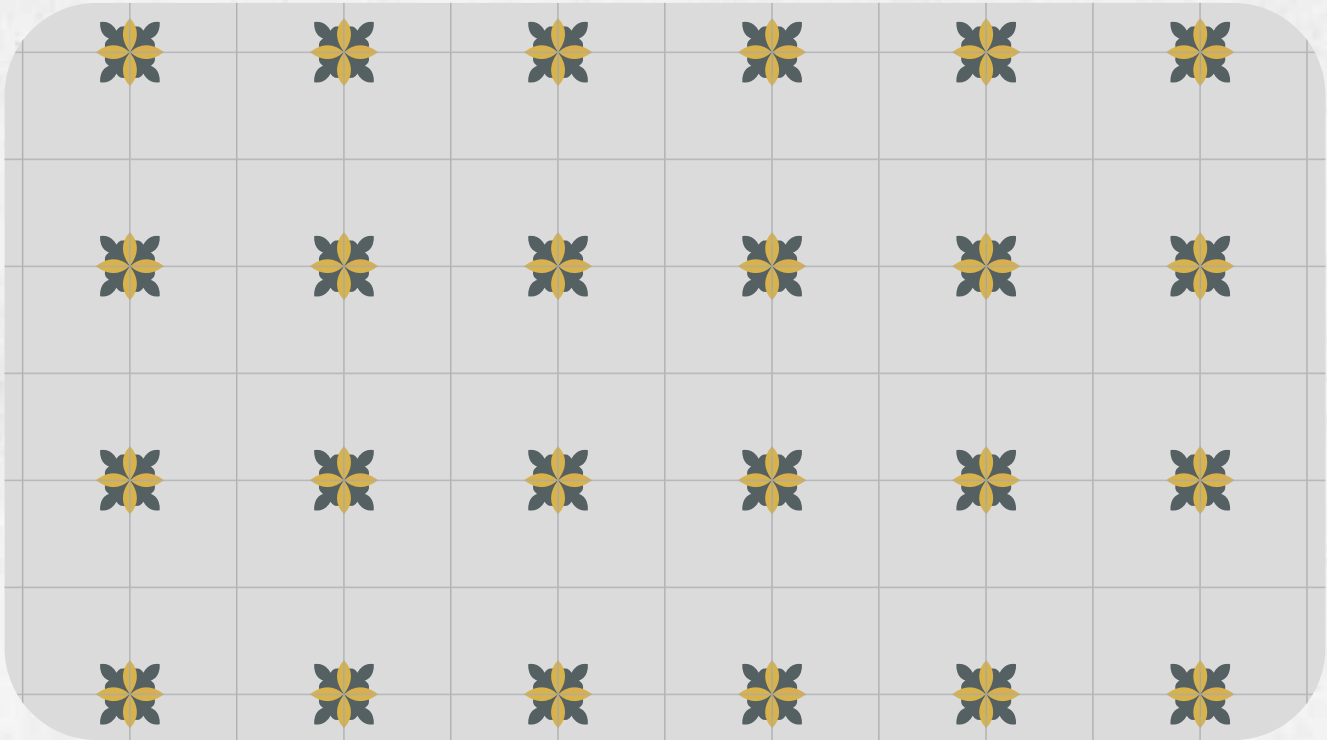

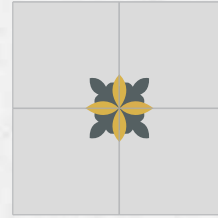

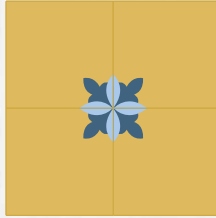

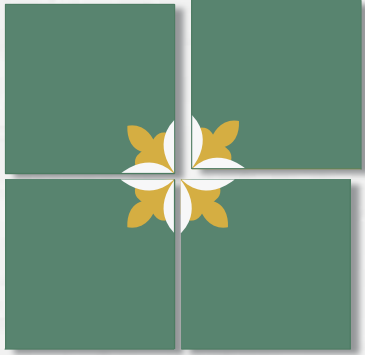

An Art of Living Initiative

Life supporting and
preserving ancient wisdom

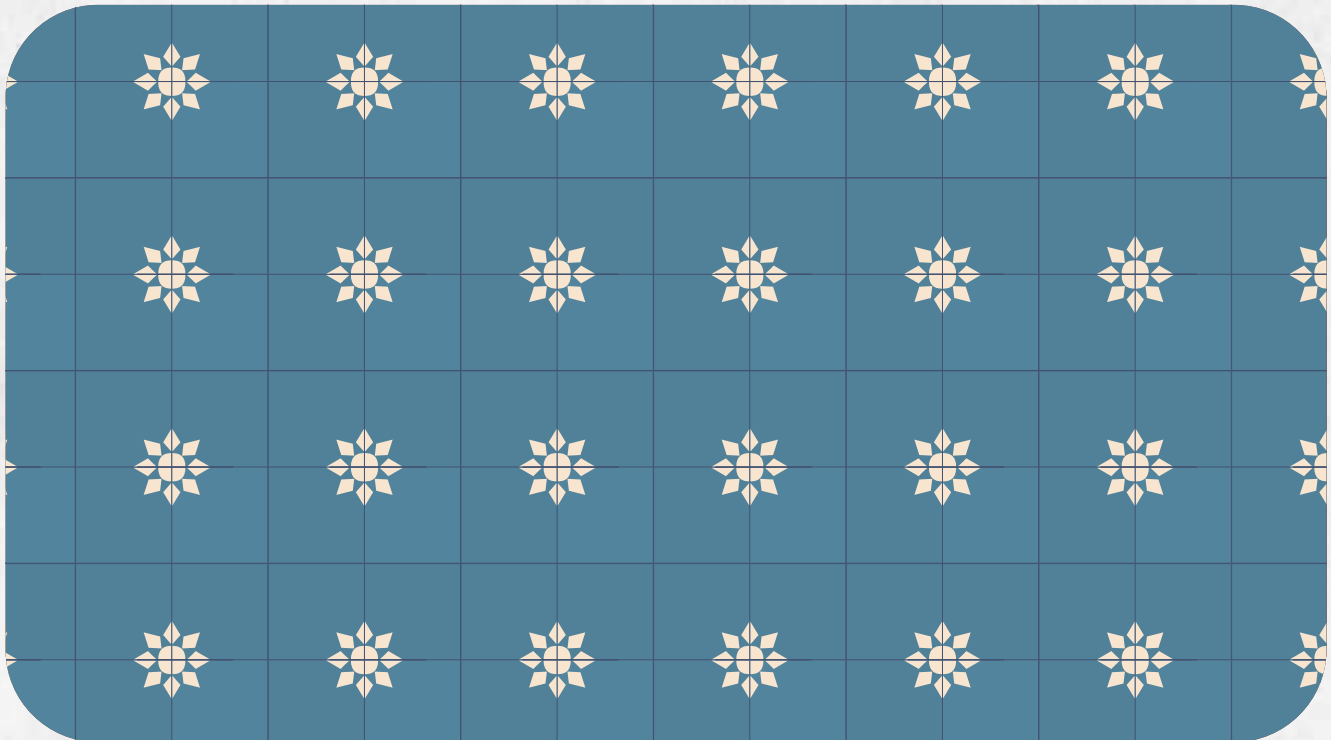

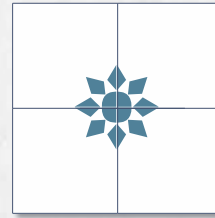

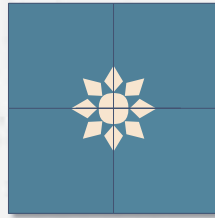

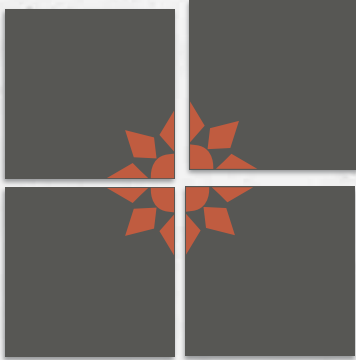

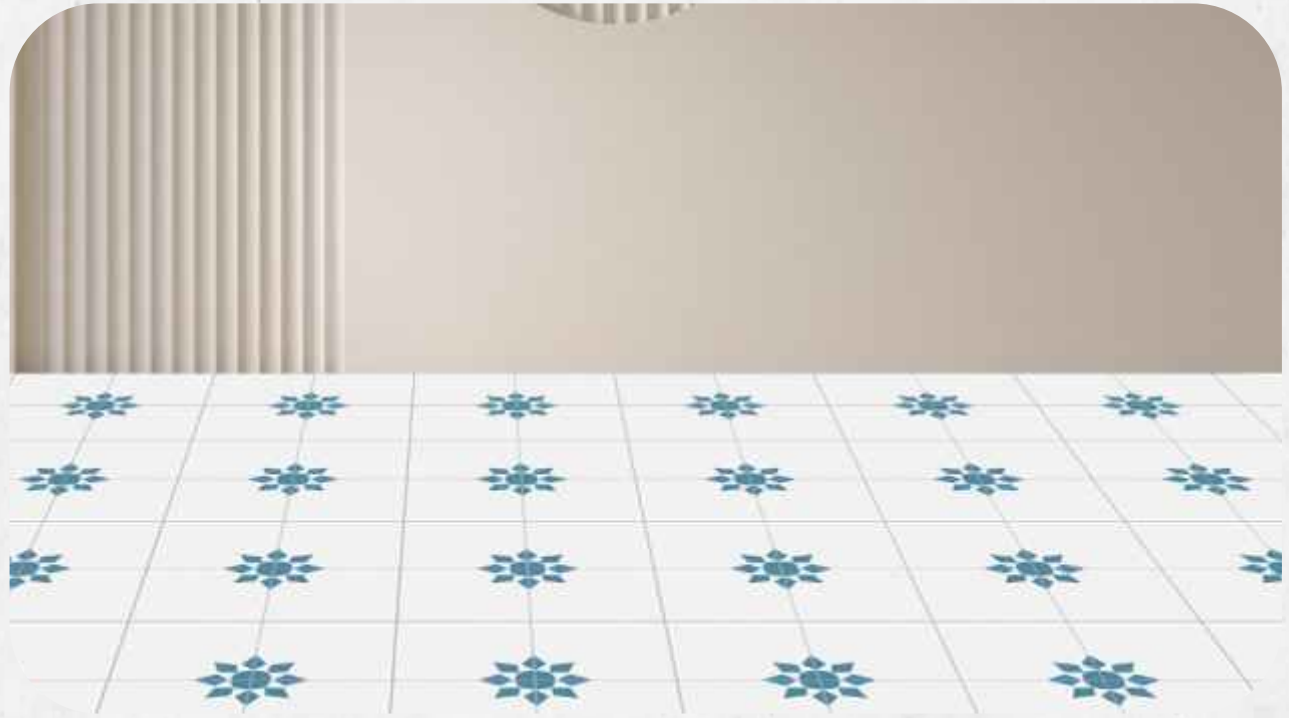

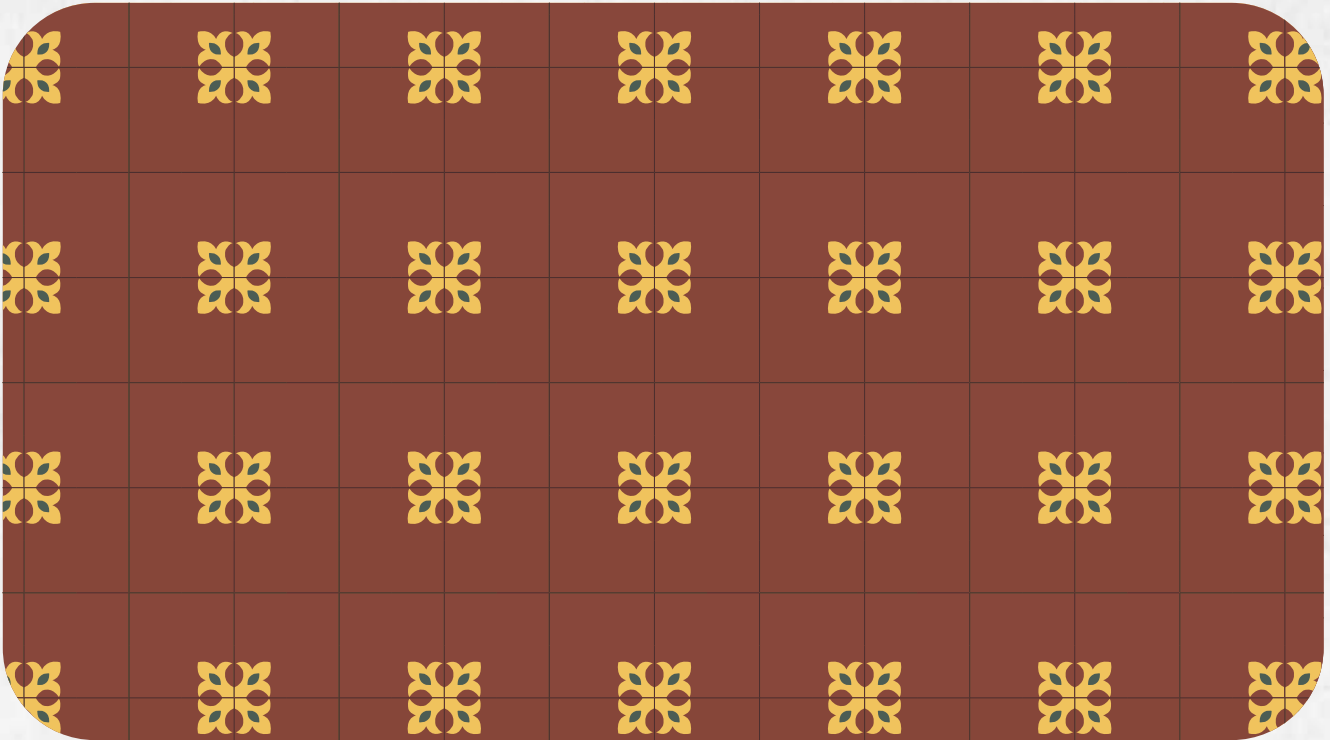

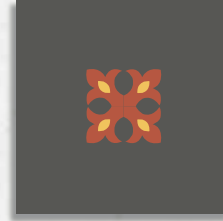

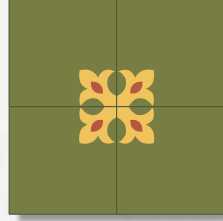

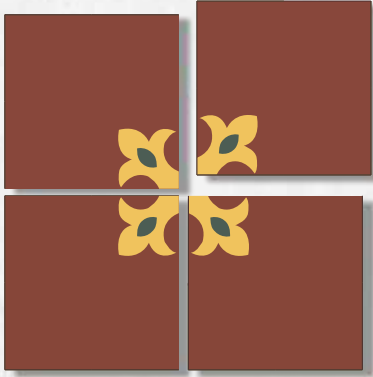

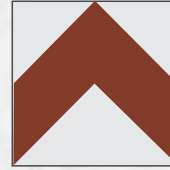

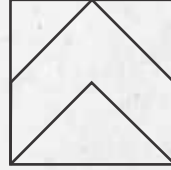

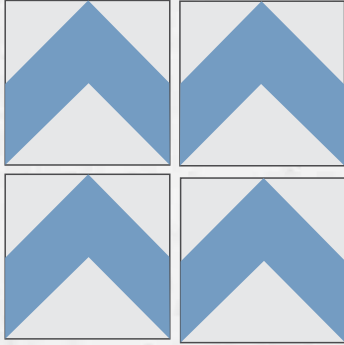

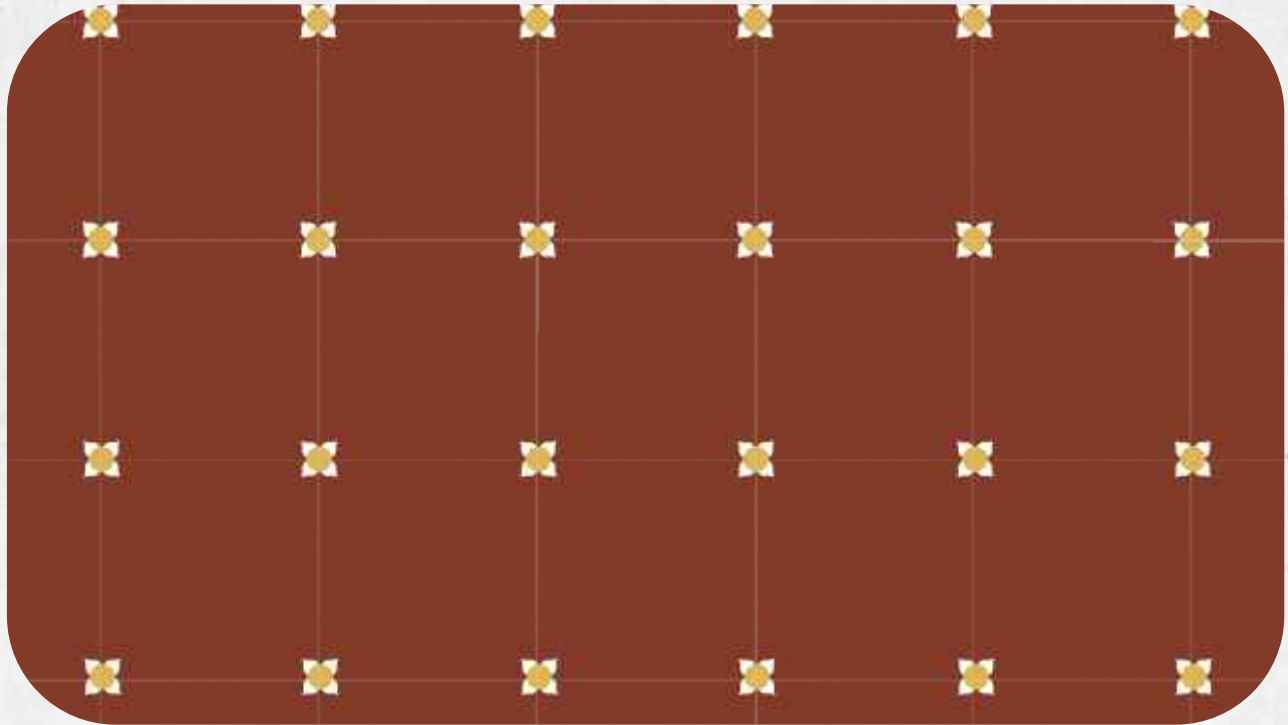

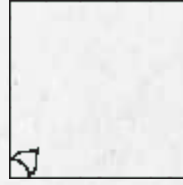

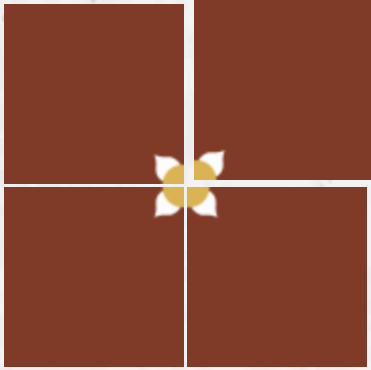

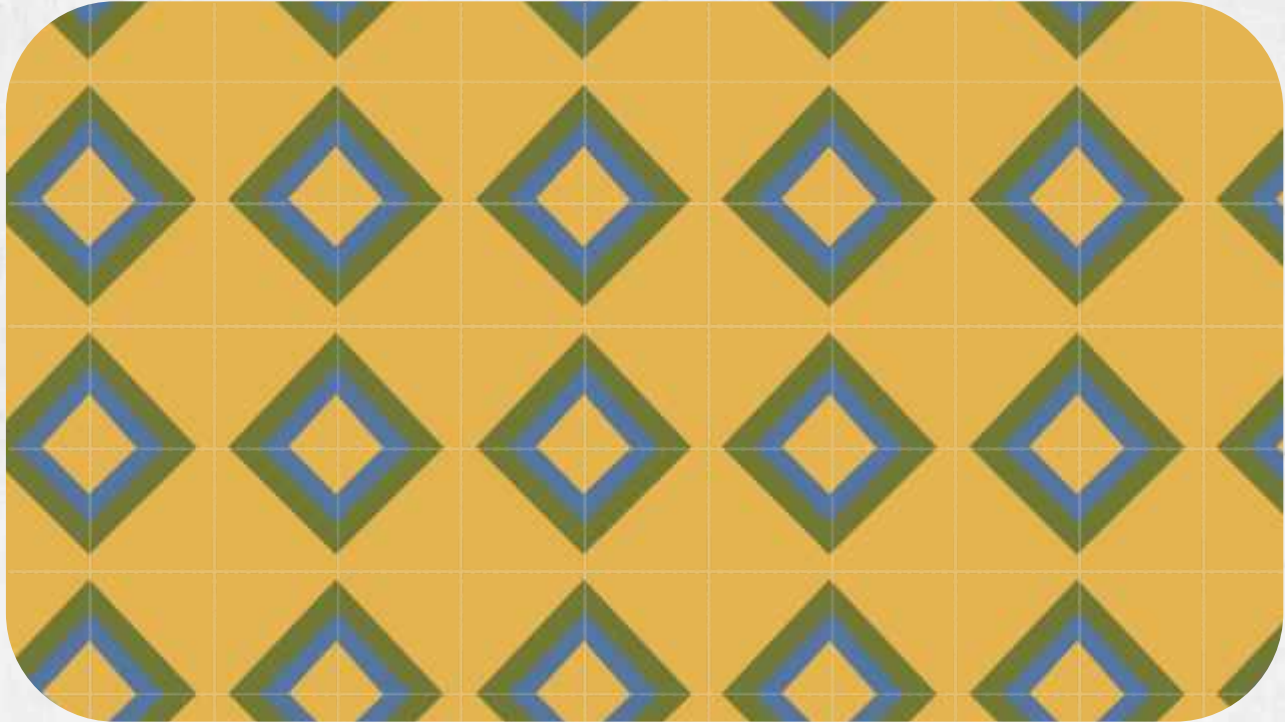

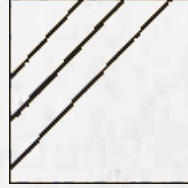

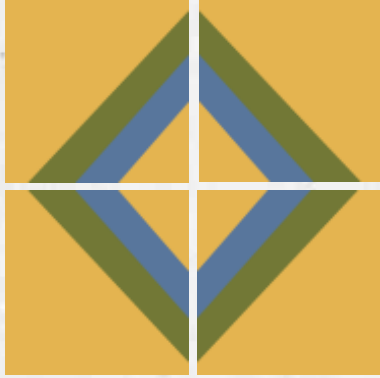

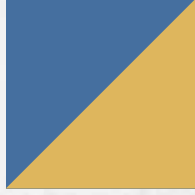

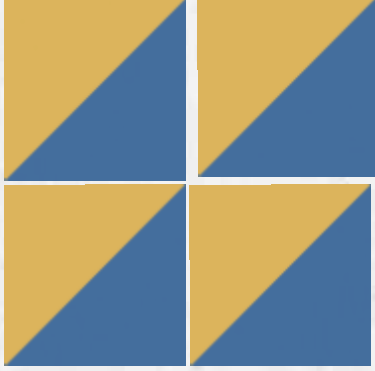

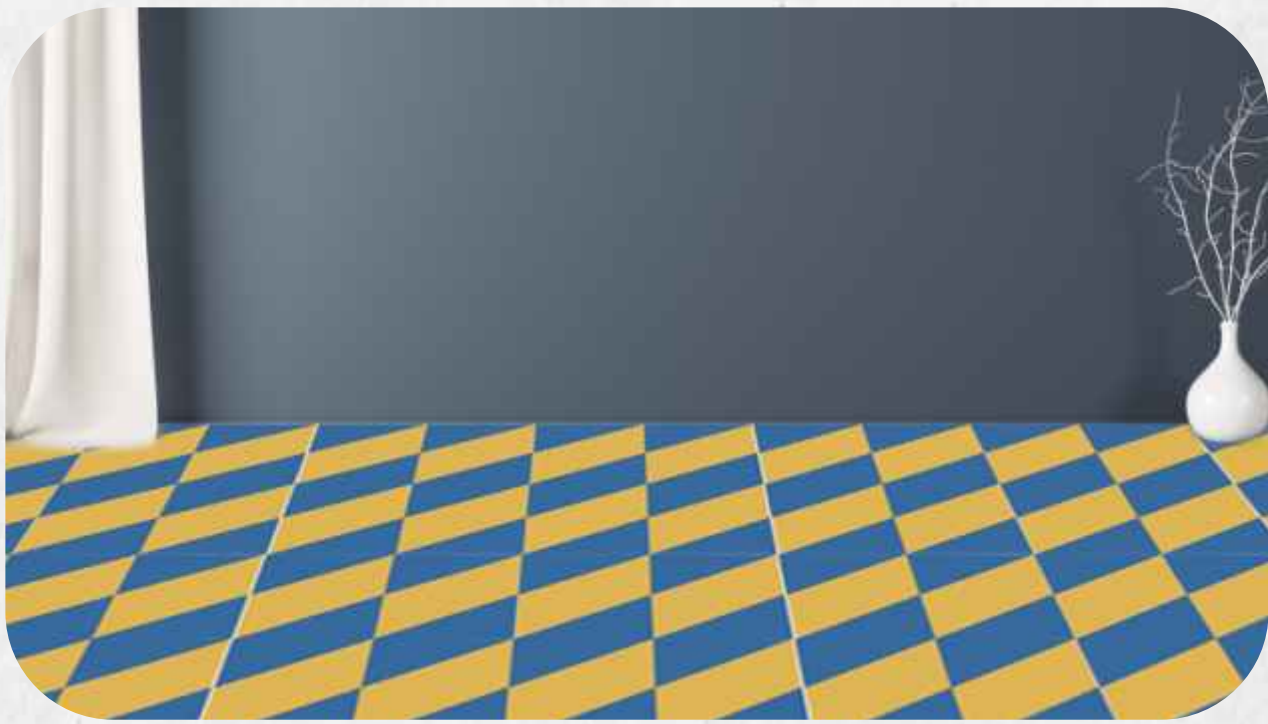

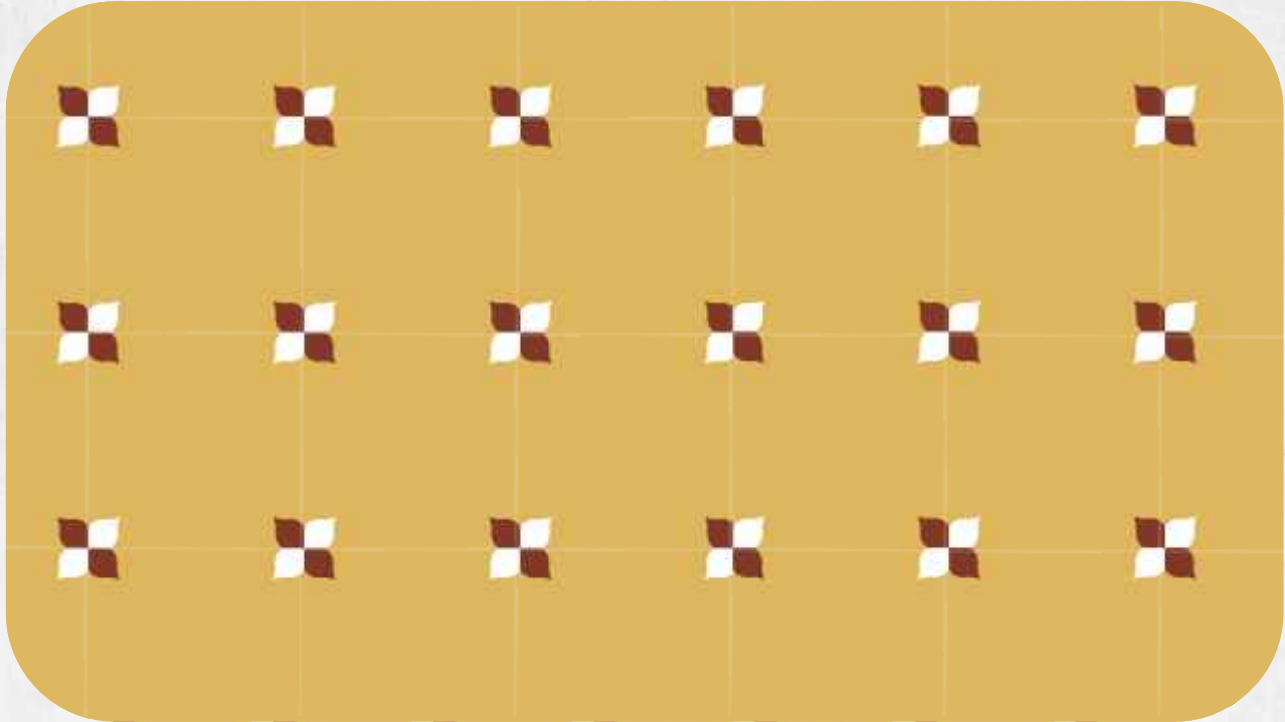

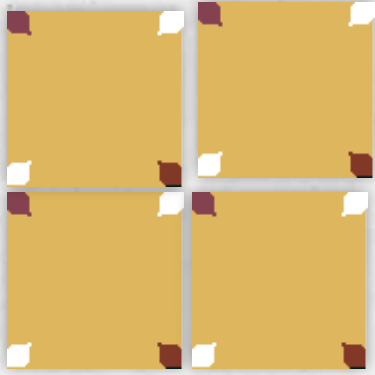

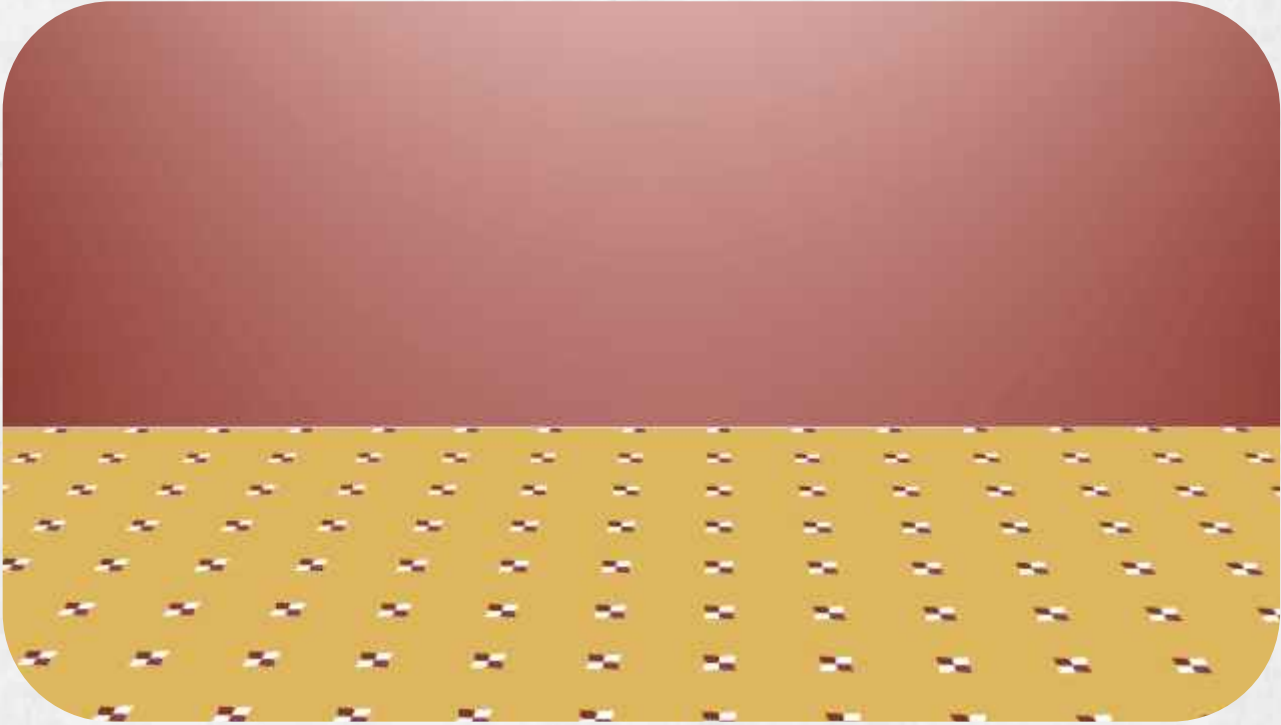

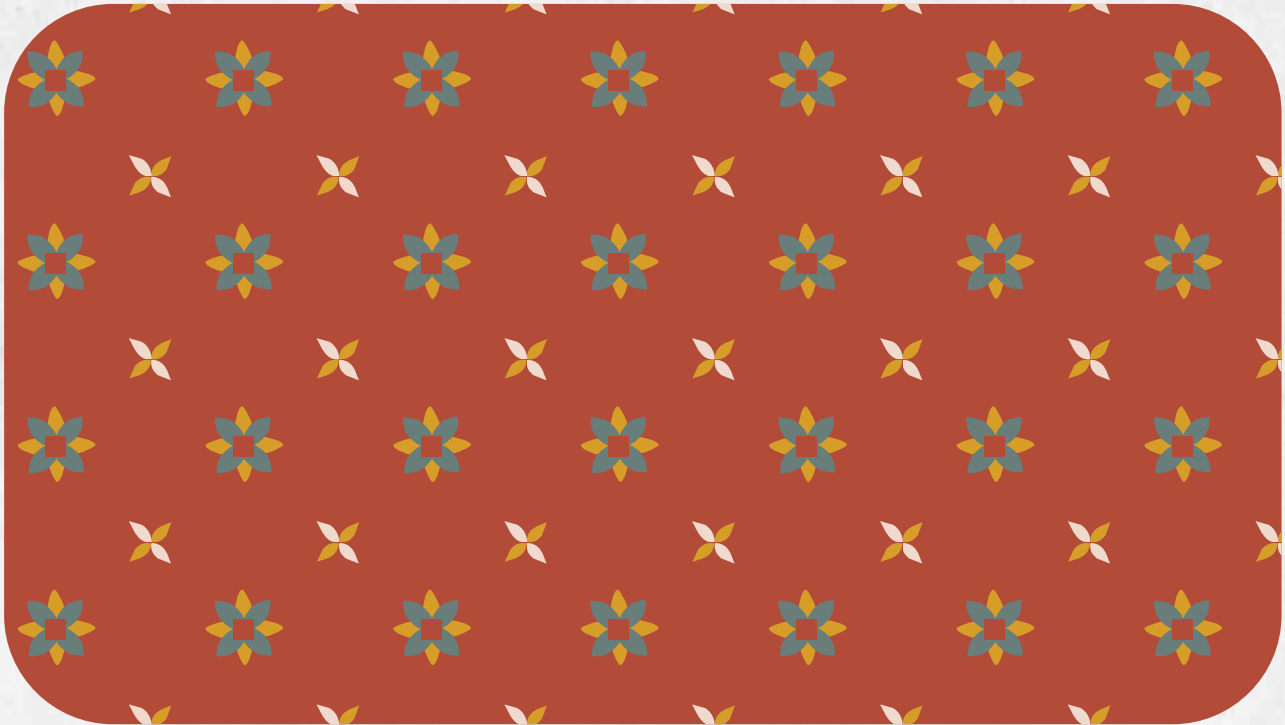

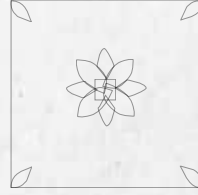

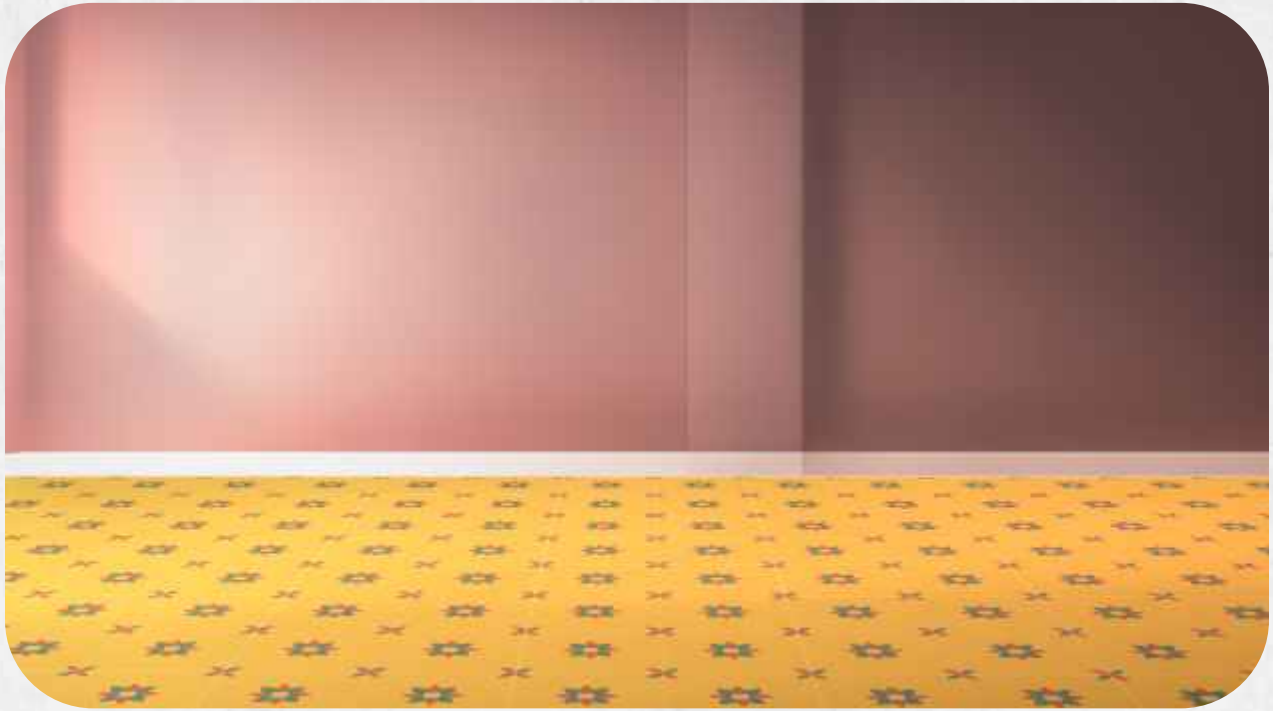

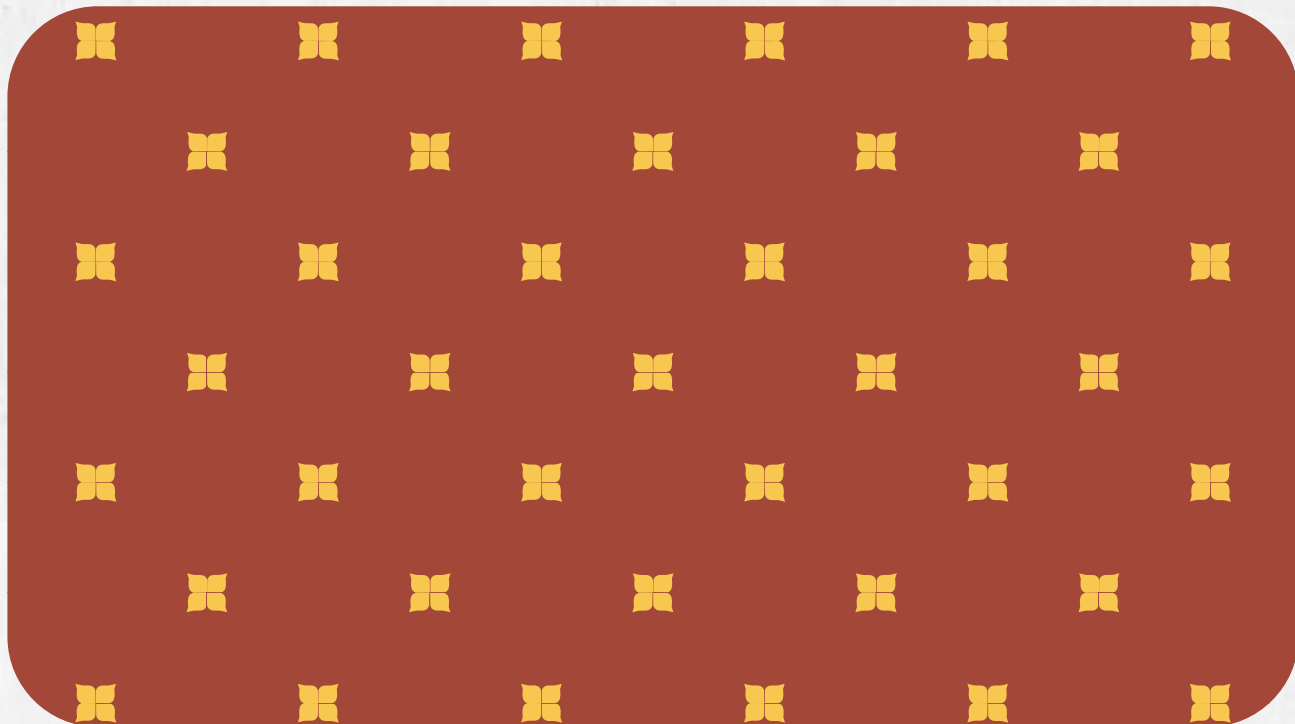

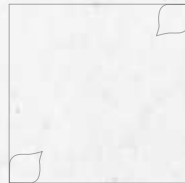

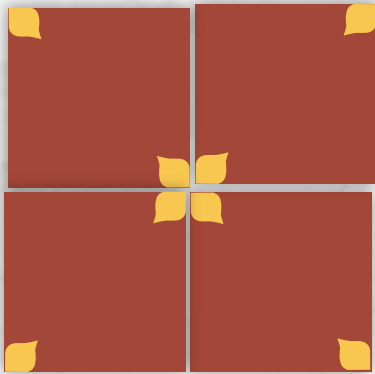

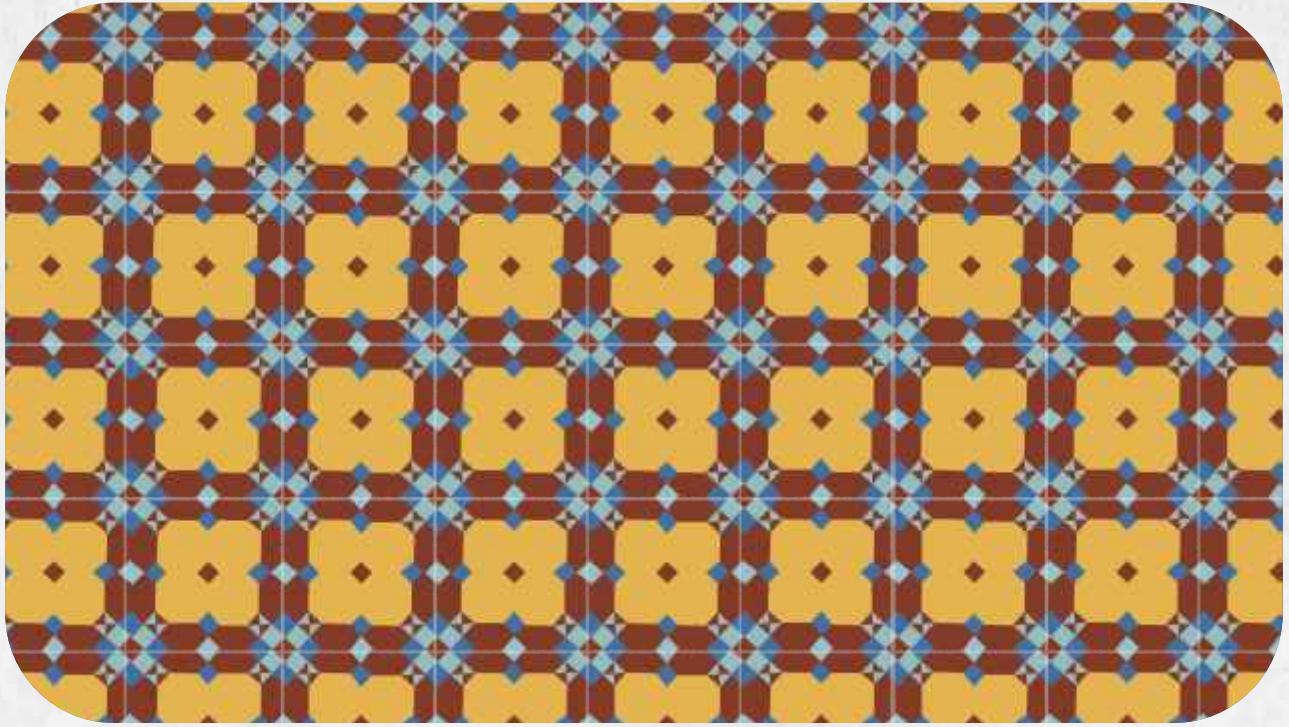

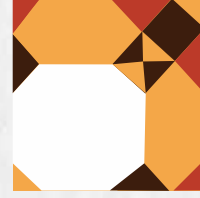

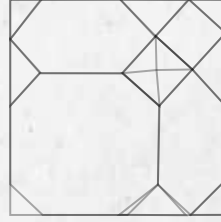

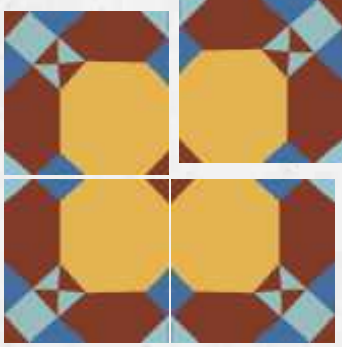

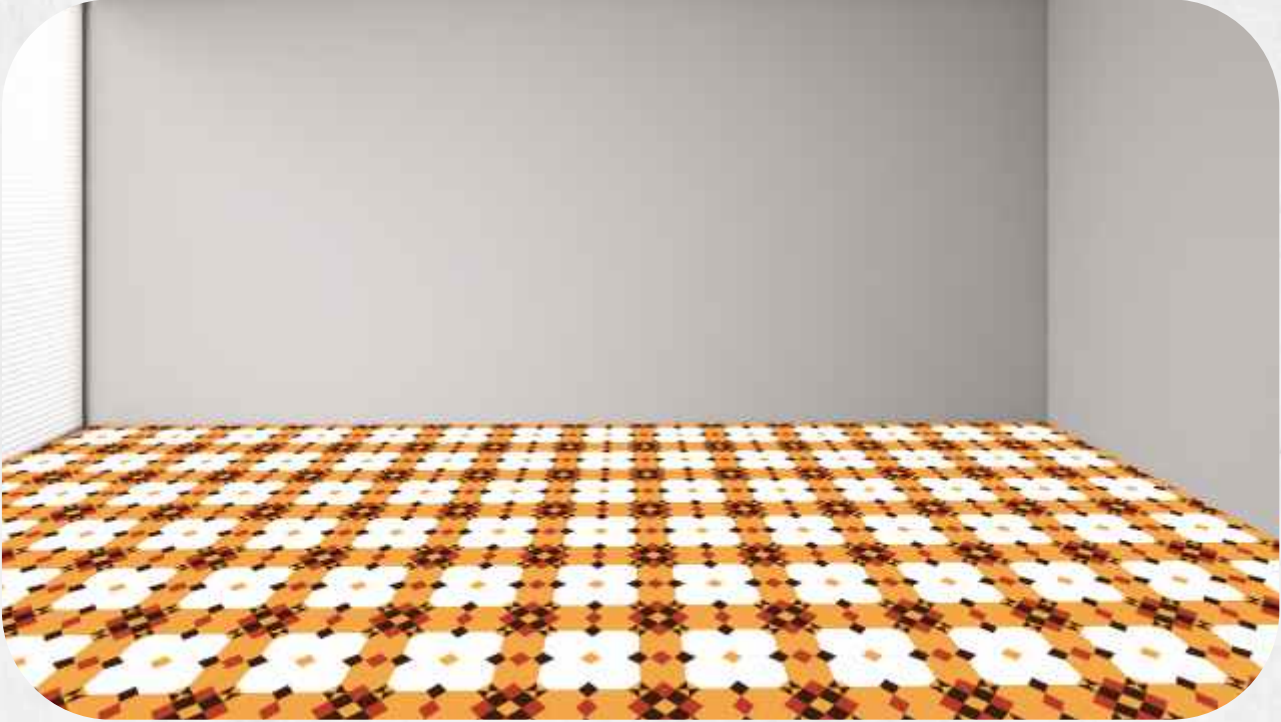

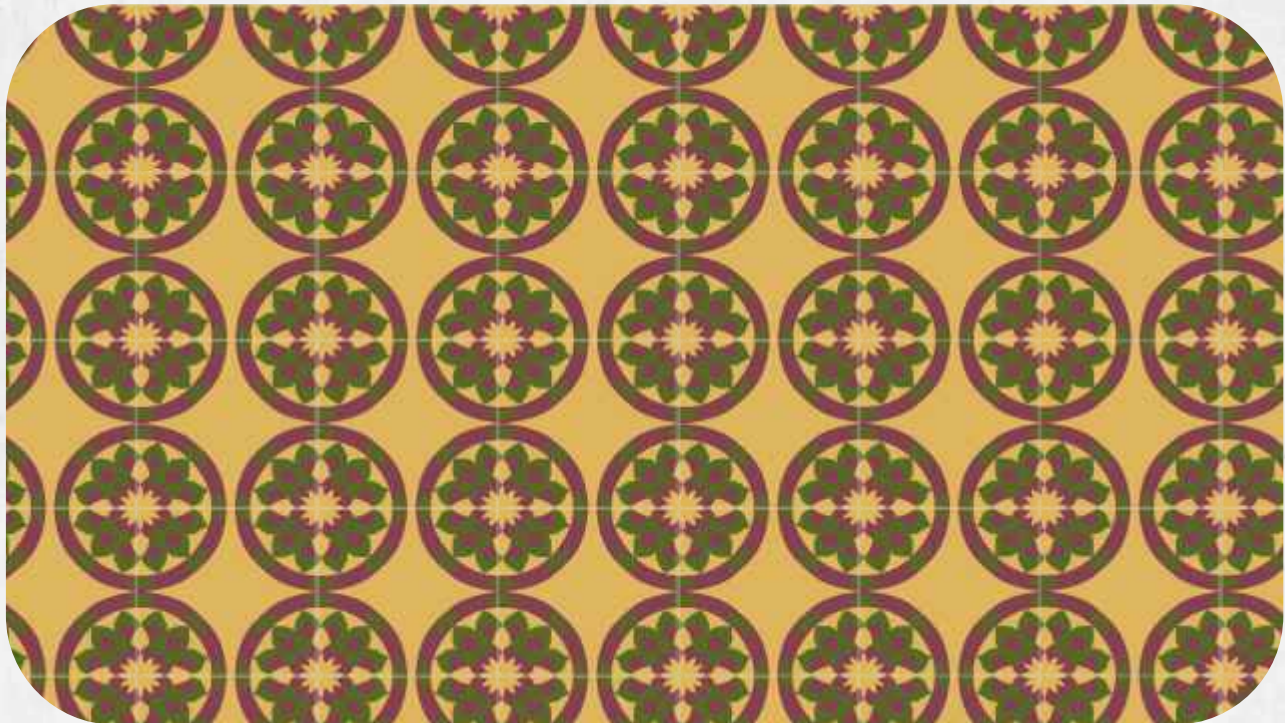

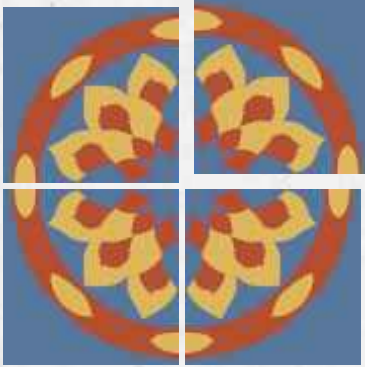

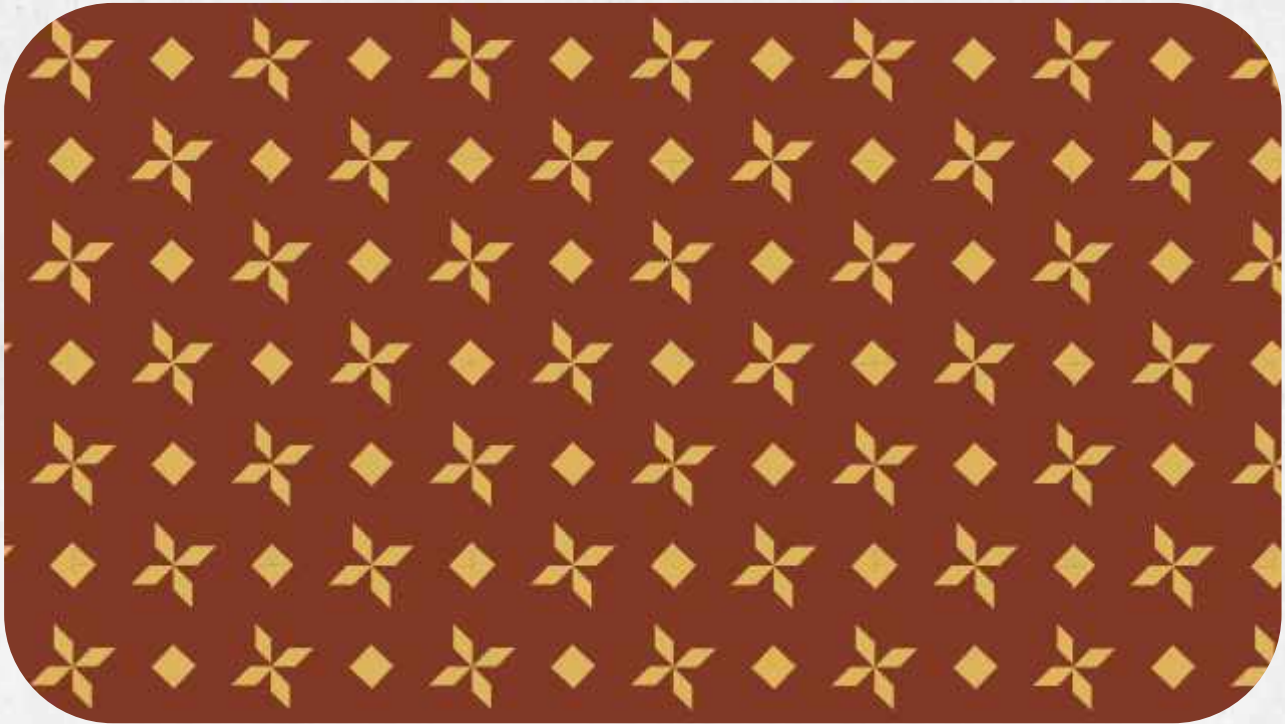

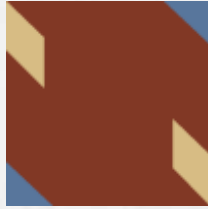

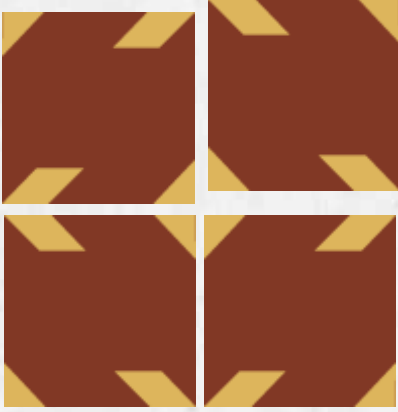

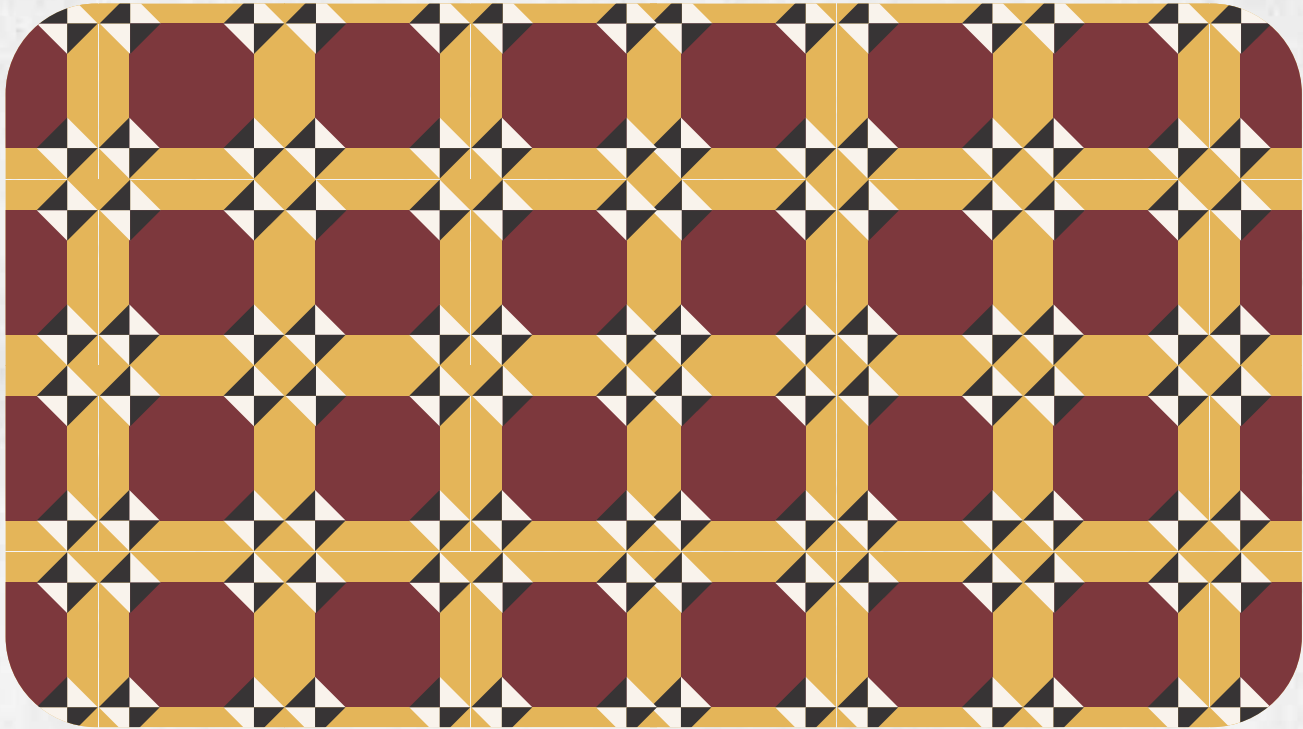

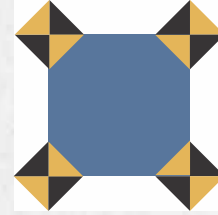

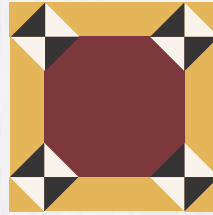

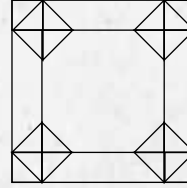

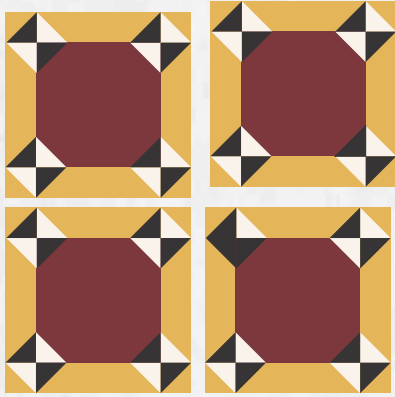

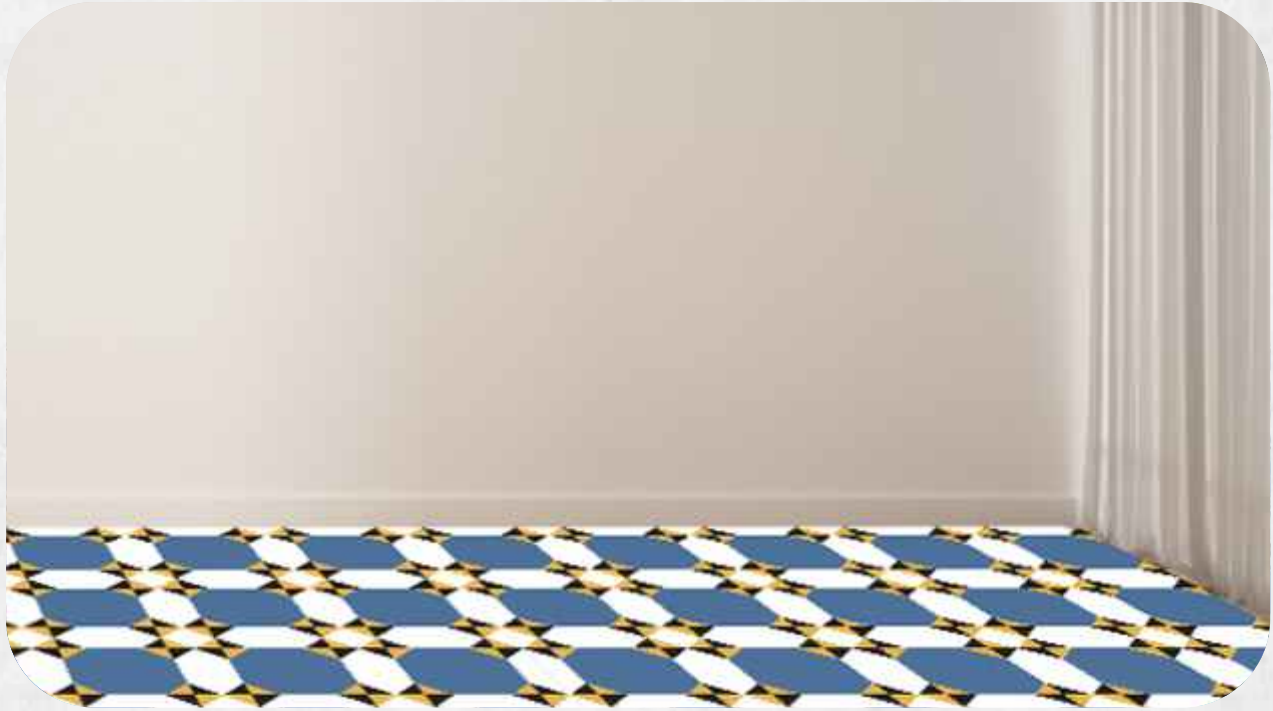

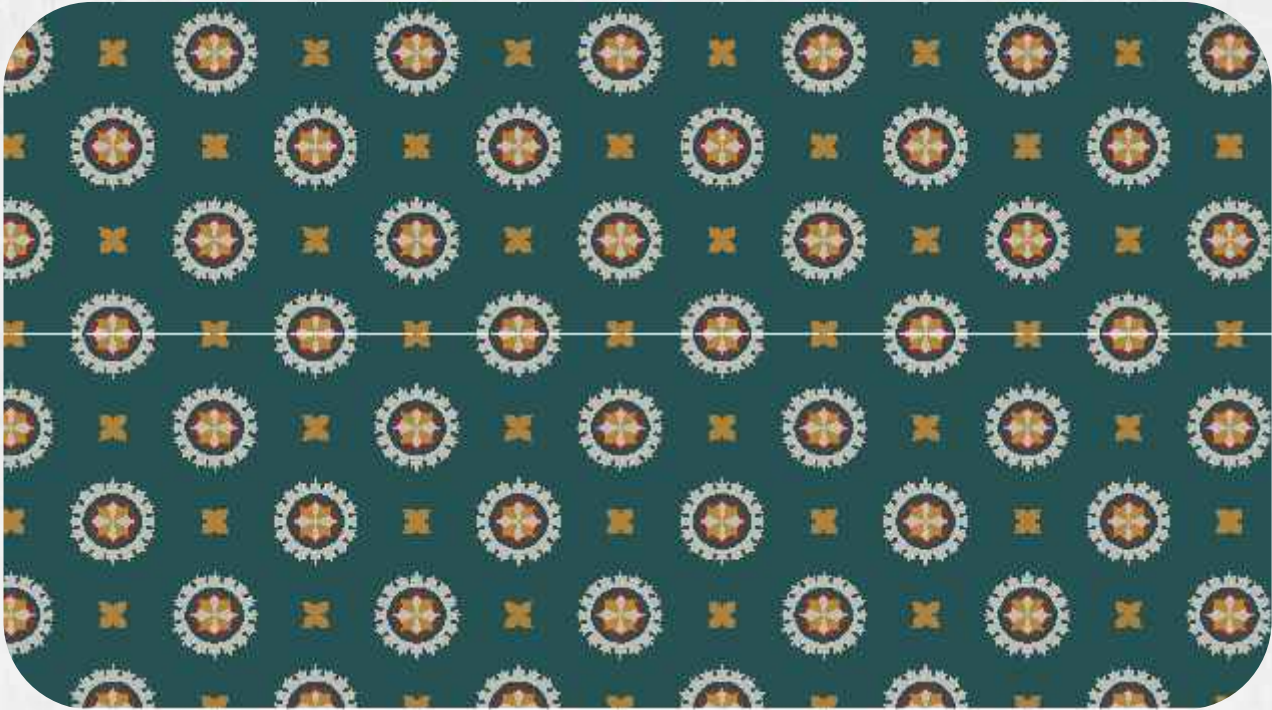

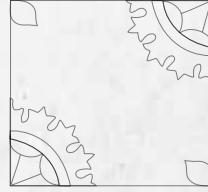

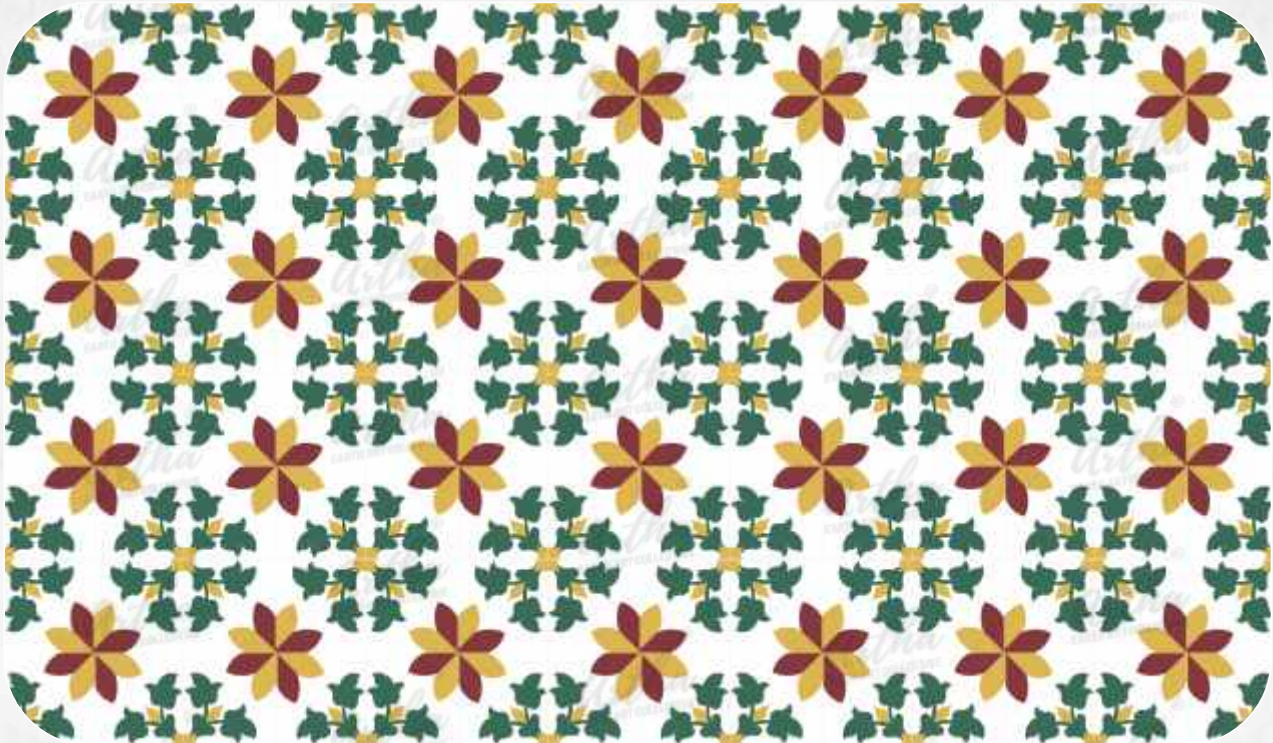

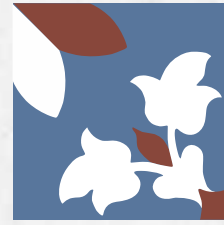

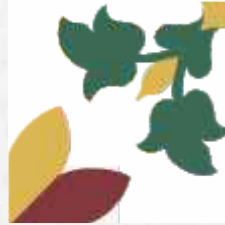

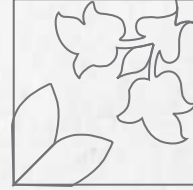

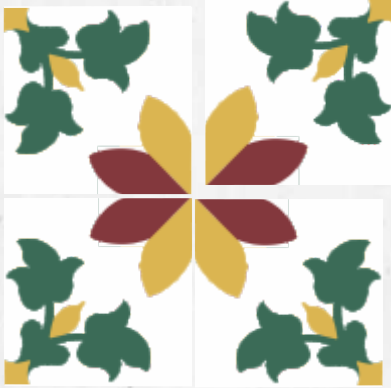

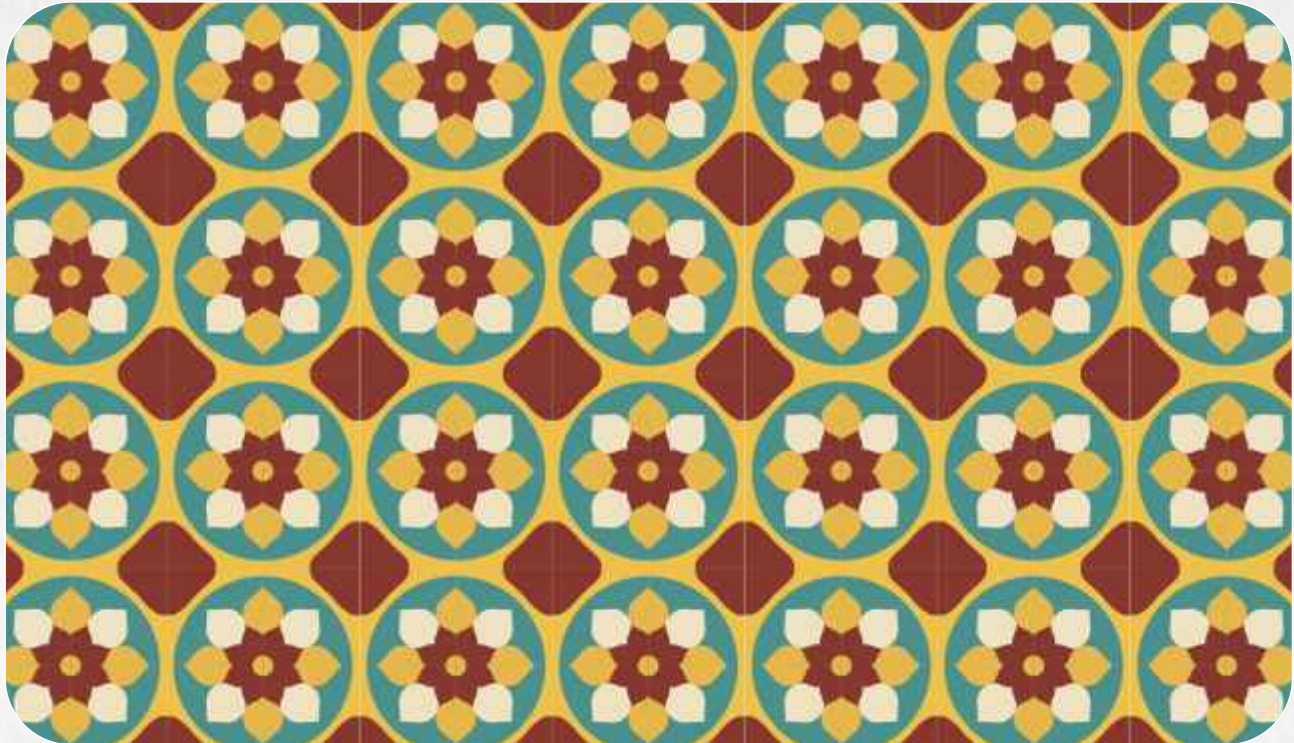

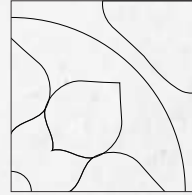

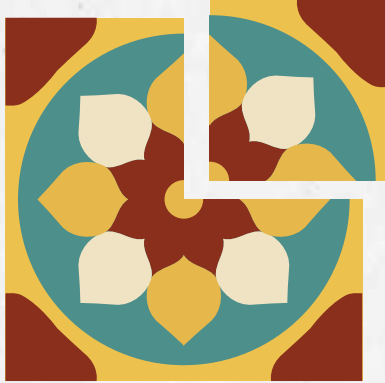

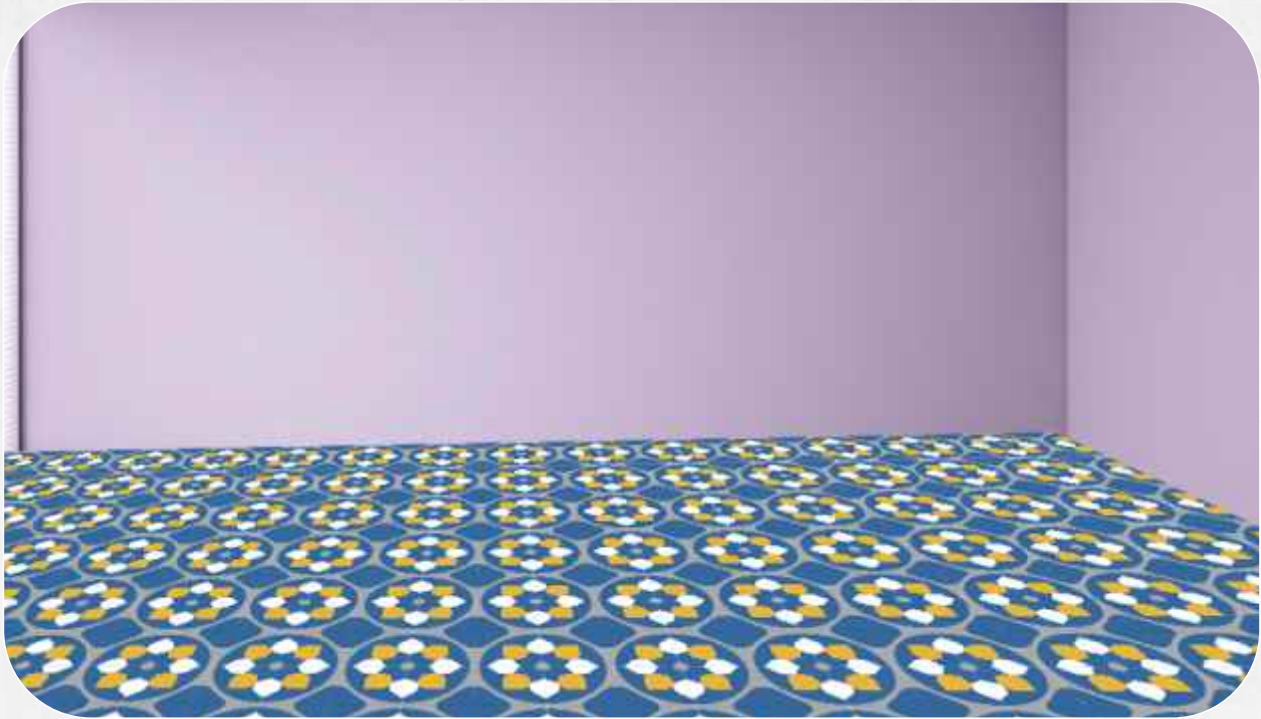

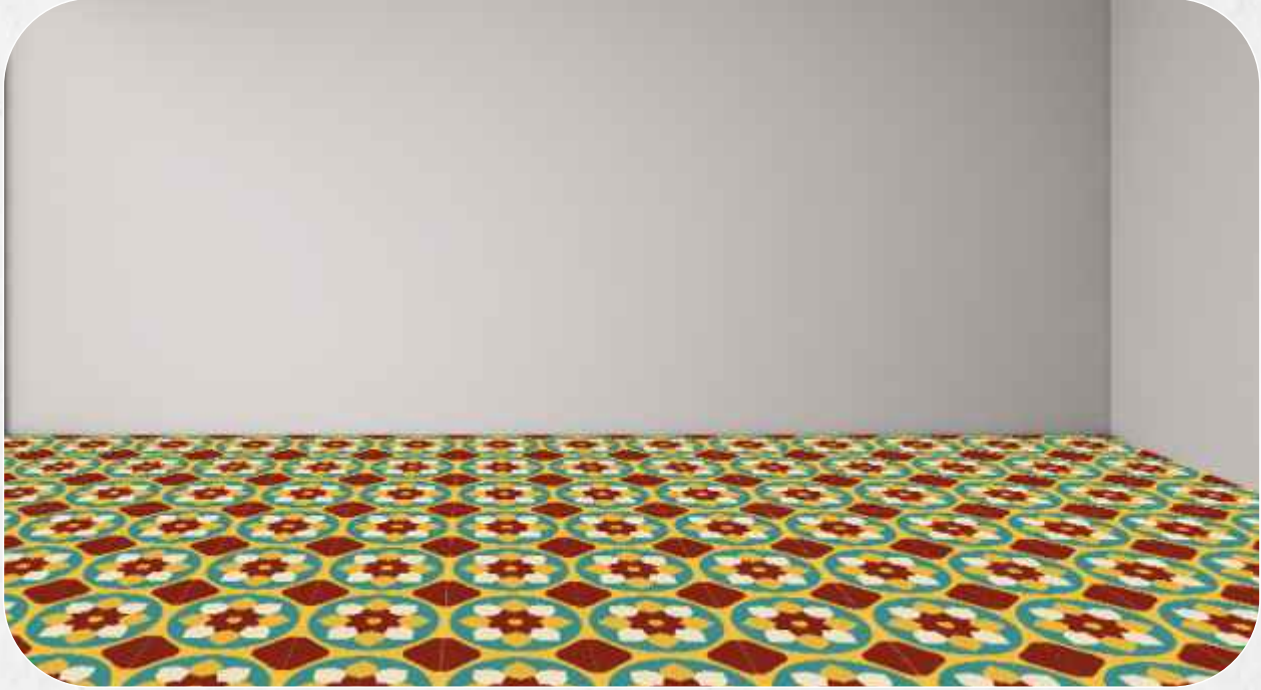

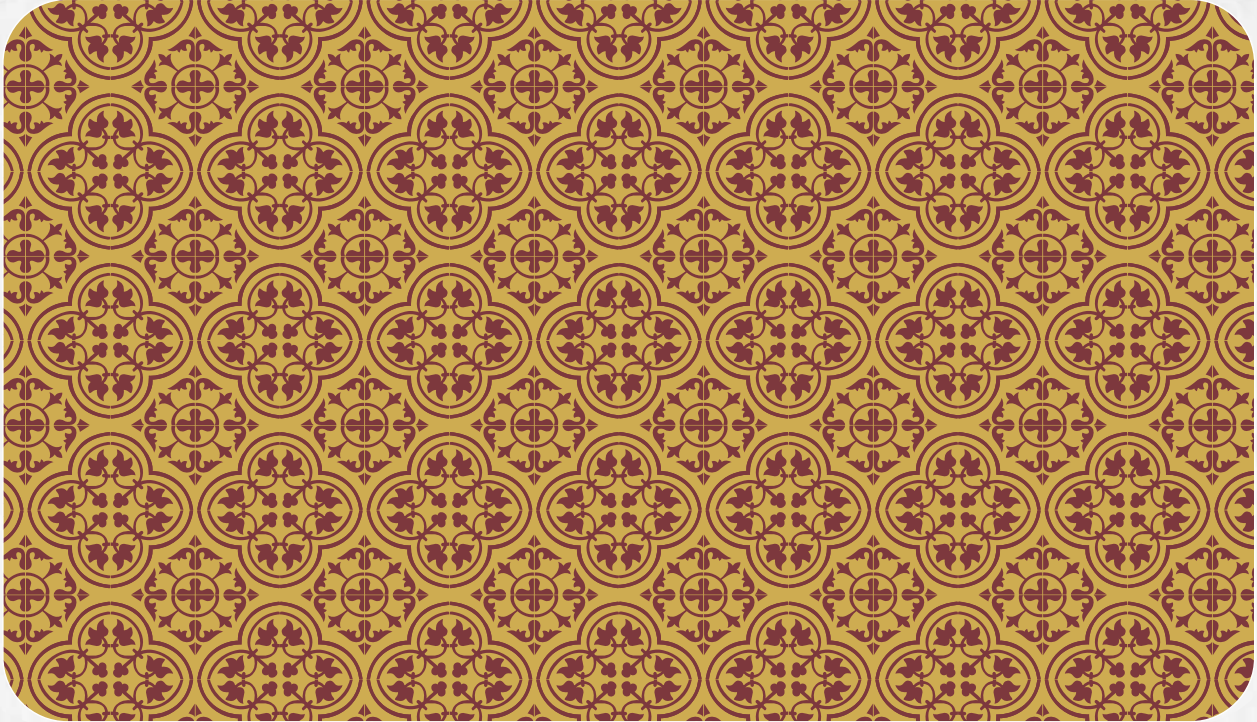

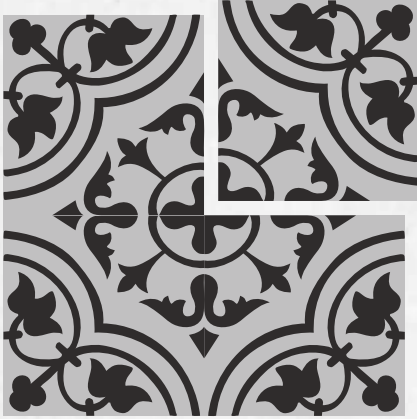

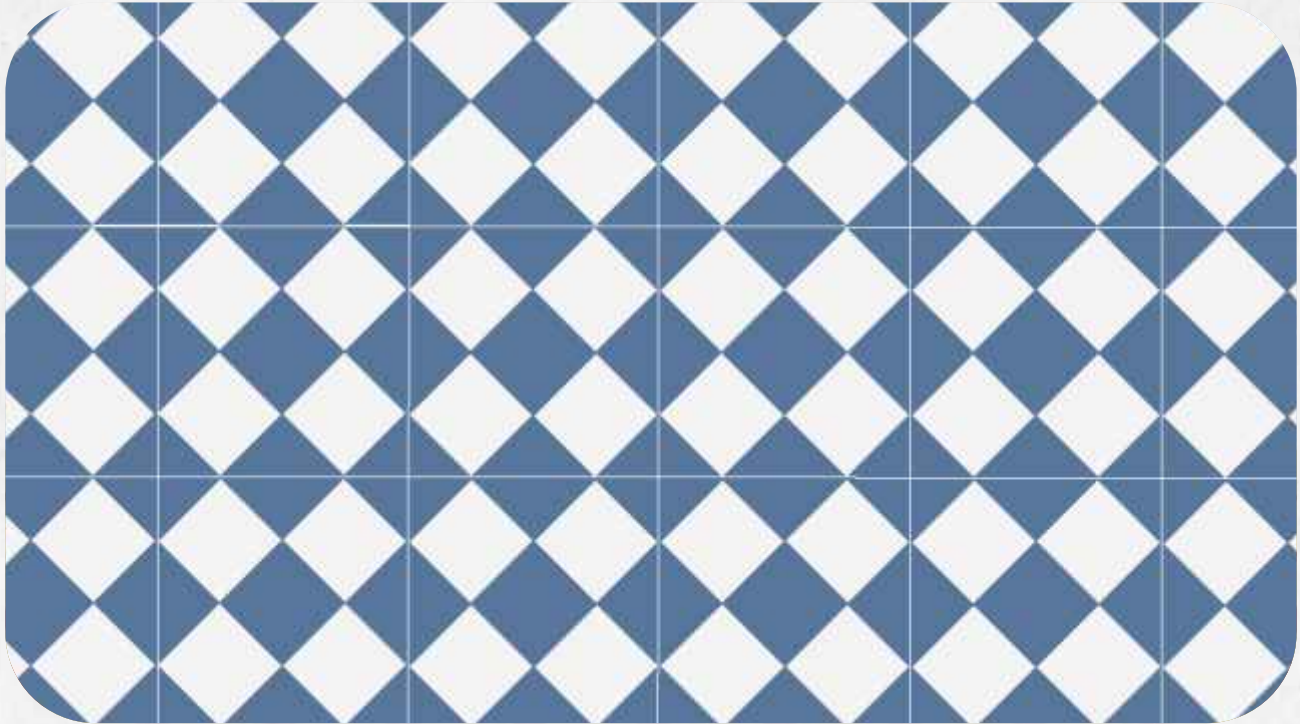

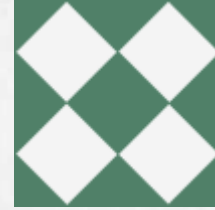

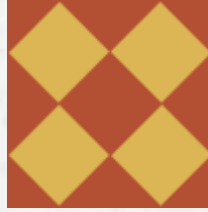

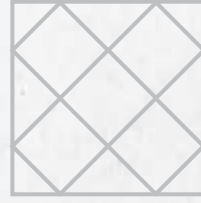

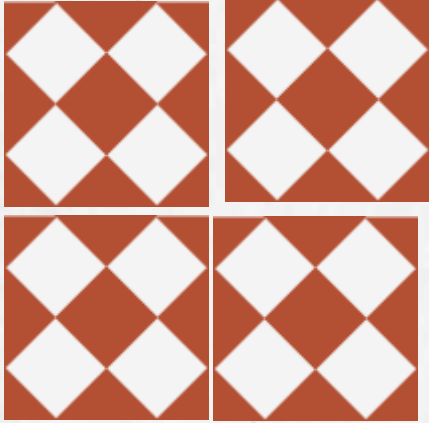

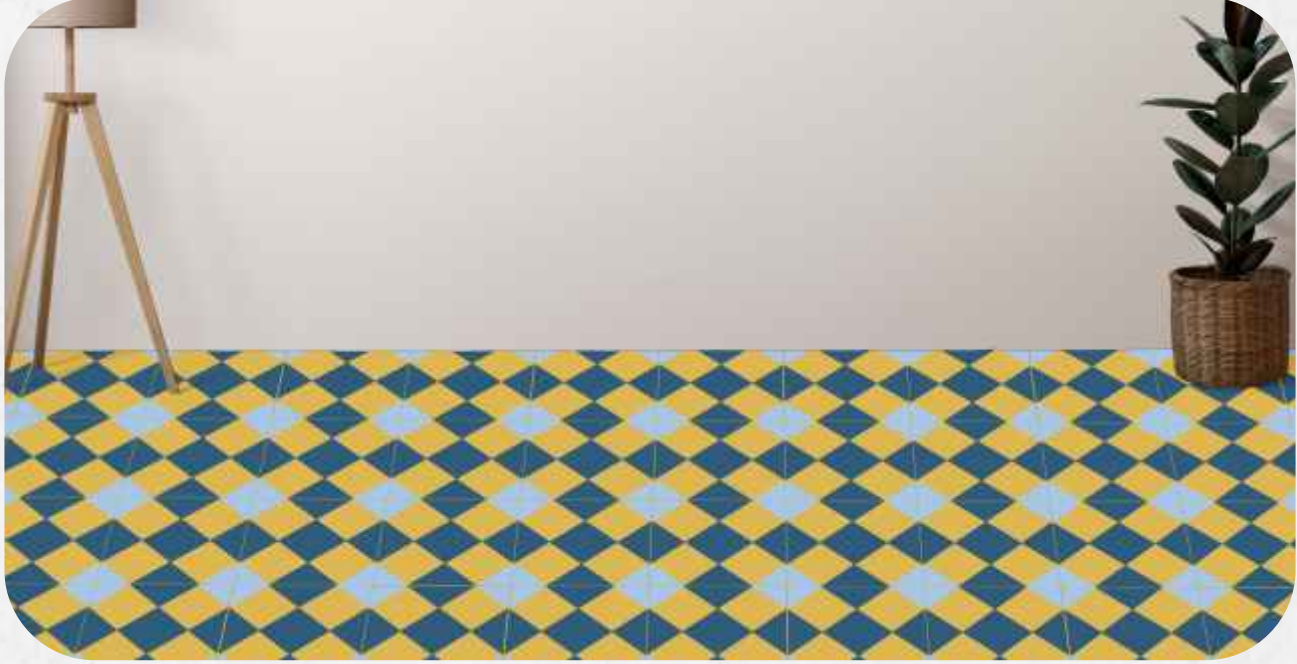

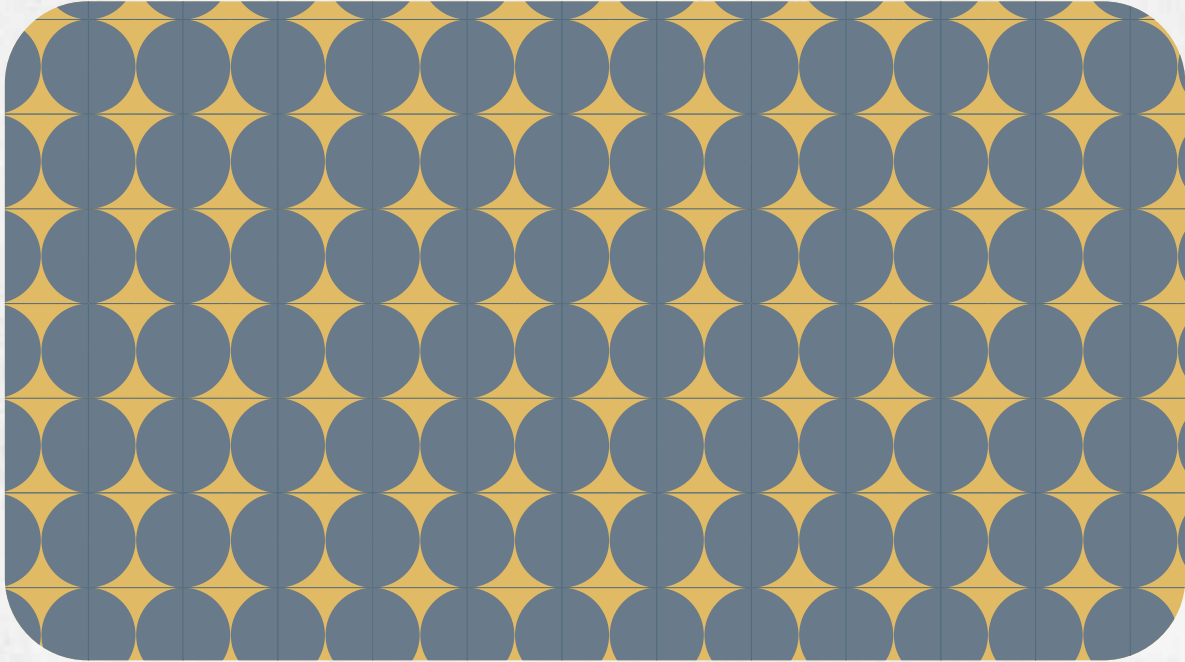

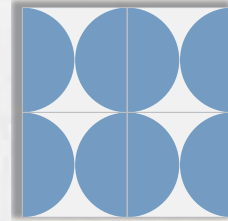

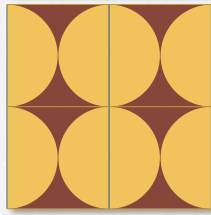

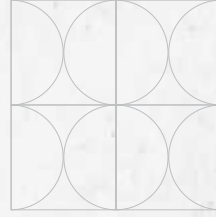

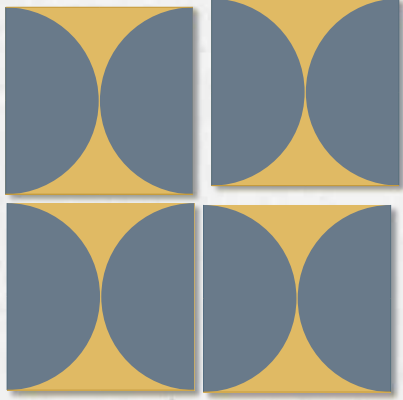

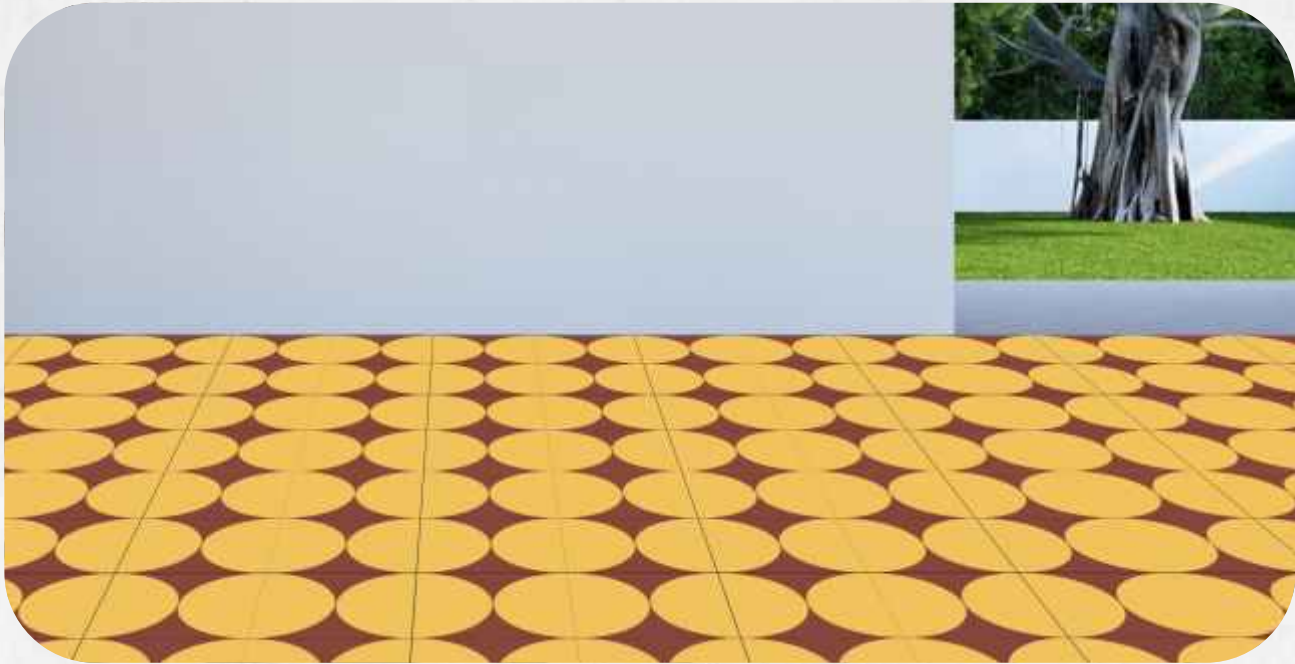

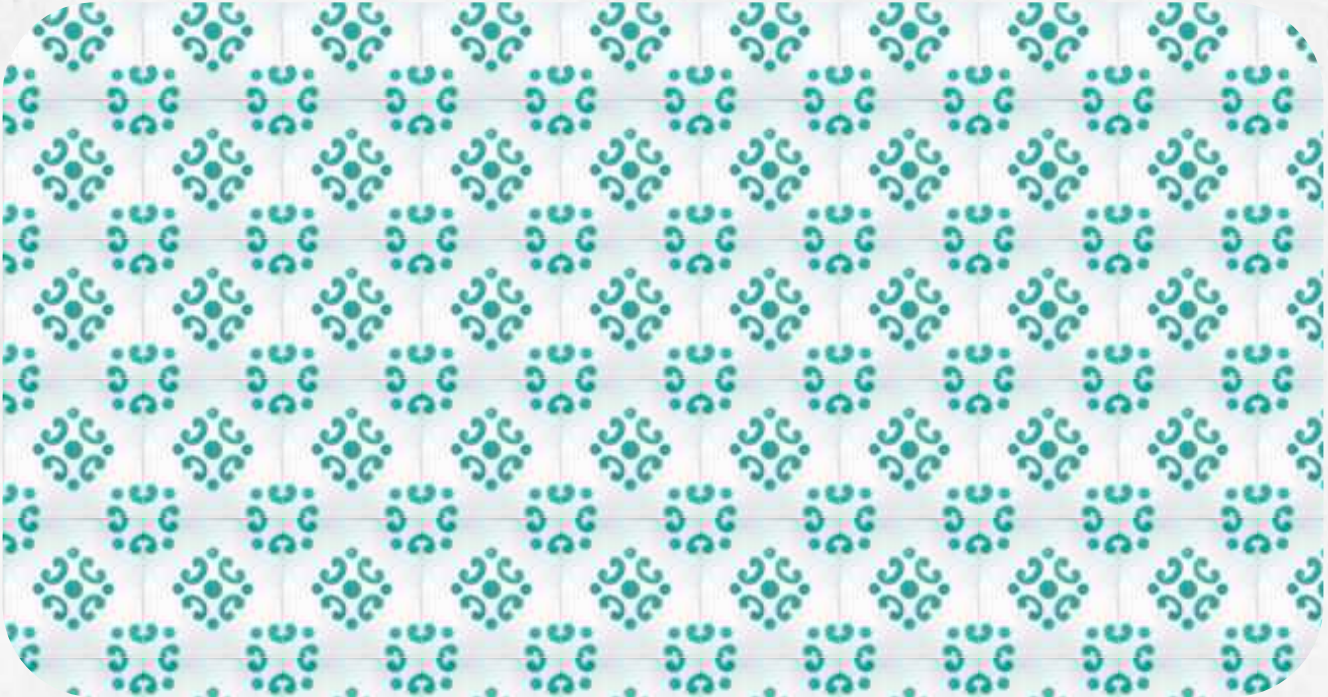

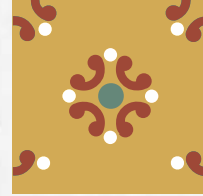

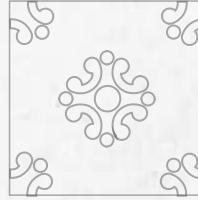

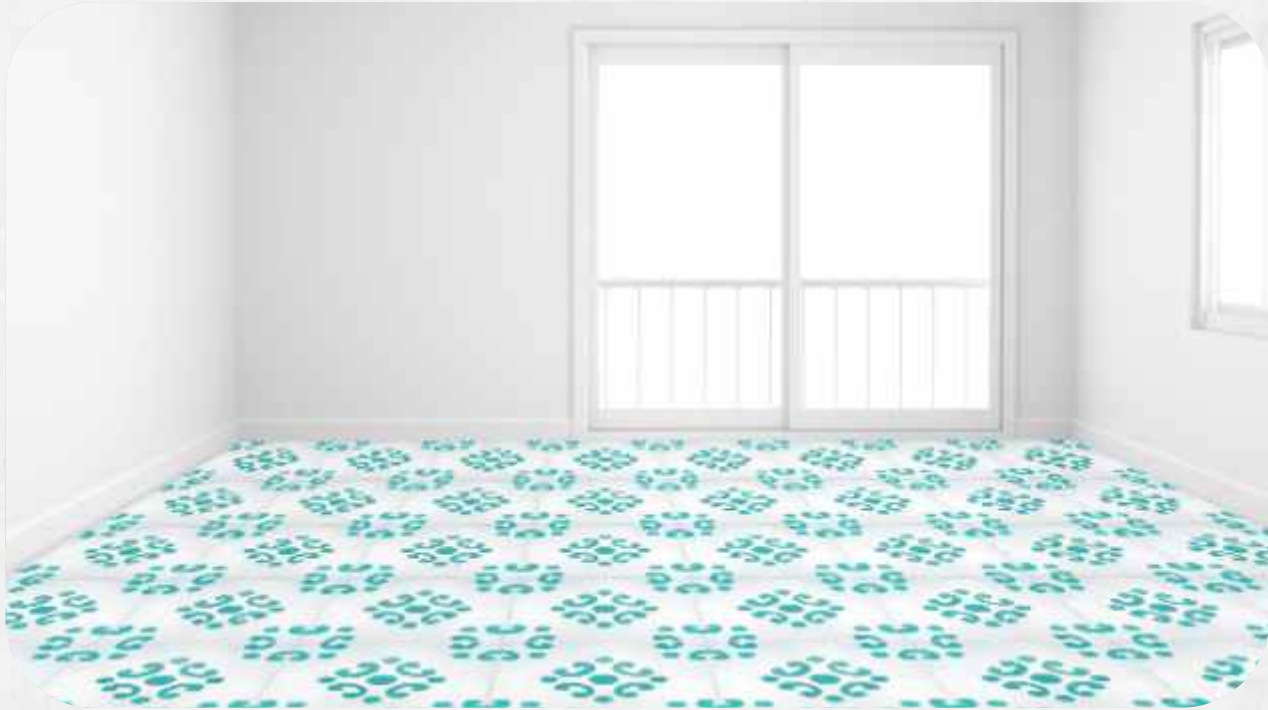

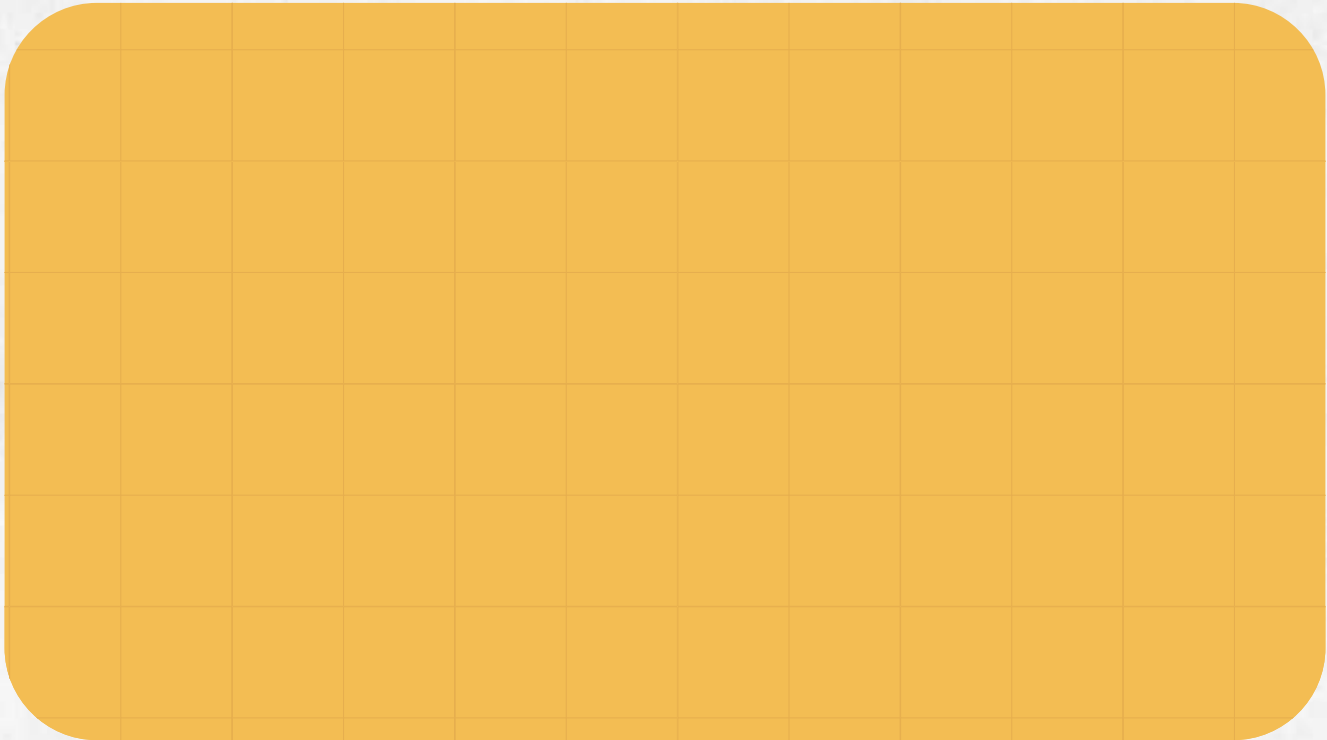

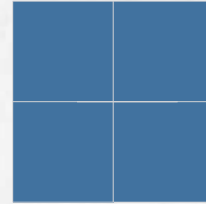

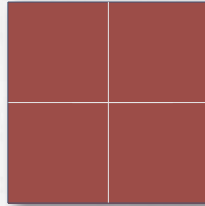

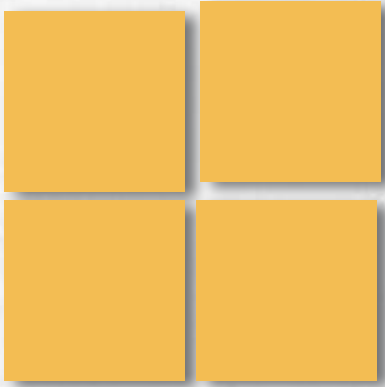

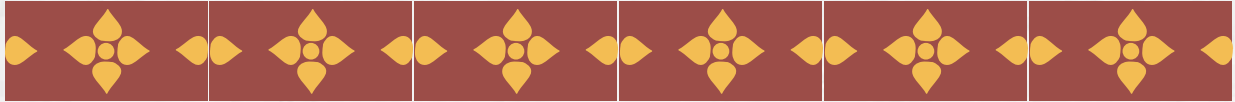

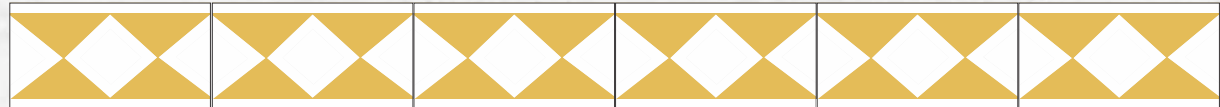

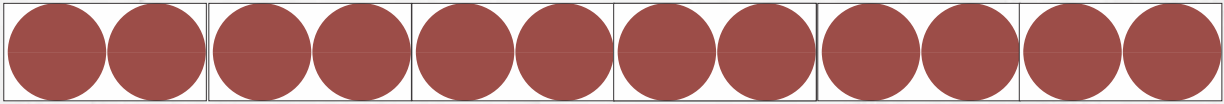

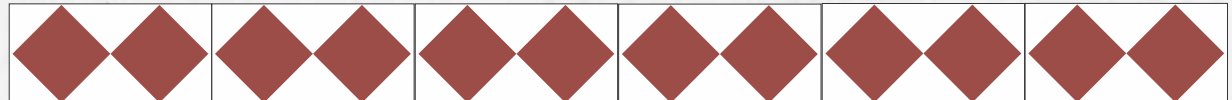

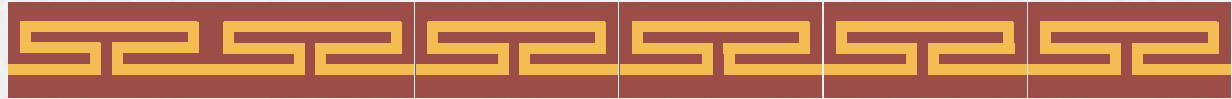

The colours above are indicative and actual shades will be slightly different. Even though we use the best ingredients and blend with utmost care, there could be variations between batch lots. This is the charm, feel, hallmark of fully handcrafted products.

ARTHA Stands For

Promoting Craftsmanship

Craftsmanship to the younger generation.
The quality of something that has been skilfully made

Preserving Culture

Well-designed methodologies to maintain cultural heritage
from the past for the benefit of the present and future generations.

A Sustainable Lifestyle

Sustainable Lifestyles are considered as ways of living,
social behaviors and choices,
that minimize environmental degradation
